Registrar	KFin Technologies	Valuation
	Private Limited	<ul> <li>Bank is bringing the issue at p/b multiple of approx 1.3x at higher end of price band of Rs 32-33/share on FY20 book values basis.</li> <li>Bank being customer centric organization with a deep understanding of the unserved and underserved customer segments is among the largest SFBs in India with a well-diversified asset portfolio.Also, bank has strong retail liability portfolio with a strategic distribution network &amp; customized credit assessment procedures for effective credit risk management.</li> <li>However looking after current market volaitility we recommend "Long term Subscribe" on the issue.</li> </ul>

Bank have also been providing vehicle finance and MSE finance through the Erstwhile NBFC that received its asset finance license in 2012, primarily to economically disadvantaged households. While Bank's business model has transitioned over the years, the provision of sustainable credit to unserved and underserved segments has remained Bank's core focus. Bank's focus customer segments include individuals with limited access to formal financing channels on account of their informal, variable and cash-based income profile. Bank offer a range of financial products and services that address the specific requirements of these customer segments by taking into account their income profile, nature of business and type of security available. Bank's asset products are suited to a range of customers with varying profiles. These include provision of small business loans comprising LAPs, housing loans, and agriculture loans to micro-entrepreneurs, microfinance to JLGs predominantly comprising women, used and new commercial vehicle loans to drivers and microentrepreneurs typically engaged in logistics, MSE loans to proprietorships, and corporate loans. On the liability side, Bank's target customers comprise mass and mass-affluent individuals to whom Bank offer current accounts, salary accounts, savings accounts, and a variety of deposit accounts. In addition, Bank also provide non-credit offerings comprising ATM-cum-debit cards, third party insurance, mutual fund products, and issuance of FASTags.

Moratorium information for a particular month is calculated as the aggregate value of EMIs due in a particular month that have not been repaid, divided by Gross Advances (including IBPC issued) as of the dates indicated below.

Total	51.17%	42.40%	36.24%

#### Among the largest SFBs in India with a well-diversified asset portfolio

Bank was the largest SFB in India in terms of number of banking outlets, as of March 31, 2019, and in Fiscal 2019 Bank recorded the fourth lowest yields indicating Bank's diversification away from microfinance . Bank have been able to successfully diversify its loan portfolio and significantly reduce its dependence on Bank's microfinance business as compared to other microfinance companies that have converted to SFBs. Bank's asset products include provision of small business loans comprising LAPs, housing loans, agriculture loans, microfinance to JLGs, used and new commercial vehicle loans, gold loans, MSE loans, and corporate loans. The table below sets forth Bank's Gross Advances (including IBPC issued) by product as of March 31, 2018, 2019 and 2020:

	2018	2019	2020	Q1FY21
	% Total	% Total	% Total	% Total

#### Strong retail liability portfolio with a strategic distribution network

As Bank's liability customers predominantly belong to mass and mass-affluent segments, as of June 30, 2020,54.23%, 33.79%, 9.88% and 2.10% of Bank's total deposit were in metropolitan, urban, semi-urban and rural areas, respectively. In order to complement the profile of these customers, certain of Bank's Banking Outlets are equipped with customer waiting areas, teller counters, lockers, ATMs and cash deposit machines. As of June 30, 2020, Bank's deposit base was spread across 17 States and union territories in India, through a network of 856 Banking Outlets, with 37.99%, 41.88%, and 20.14% of Bank's deposits in the Northern, Southern, and Western regions of India, respectively. Bank's strong brand equity associated with name "Equitas", which translates to fair and transparent, has partially aided the growth of Bank's liability franchise, coupled with Bank's social initiatives and marketing efforts that have improved visibility of Bank's brand. As of June 30, 2020, Bank had 856 Banking Outlets and 322 ATMs spread across 17 states and union territories in India. In the three months ended June 30, 2020, Bank recorded an average of 1,146 transactions per month per ATM, and an average of 78% of such transactions were by customers of other banks. In Fiscal 2019, 2020 and the three months ended June 30, 2020, the average debit card spend was ₹2,718.89 million, ₹1,120.20 million and ₹513.94 million, respectively.

# Leveraging on Bank's existing network for deepening penetration and driving operational efficiency

Bank now intend to leverage these functions to further grow its Banking operations. In order to achieve this, Bank intend to further cross-sell its liability products such as recurring deposits to bank's asset side customers primarily comprising microfinance customers. Bank also intend to increase distribution of third party products by offering and marketing them across all channels, including Banking Outlets and digital channels. Bank's aim is to reduce the Cost to Income ratio which was 66.38% and 67.27% as of March 31, 2020 and June 30, 2020, respectively, by leveraging Bank's existing infrastructure of Banking Outlets and large customer base to cross-sell range of products.

## Strengthen liability franchise and focus on increasing Bank's retail base to further improve cost of funds

As of June 30, 2020, Bank had a liability customer base of 0.90 million customers. Bank intend to further strengthen its liability franchise with a focus on growing its retail deposit and CASA deposit to provide Bank with a stable and low-cost sbank'sce of funding. Bank aim to achieve this by attracting greater retail deposits from its customer segments, and particularly the mass and mass-affluent customer segments. For instance, Bank have recently launched differentiated CASA products for various types of customers, such as the 'Wings Account' for mass-affluent depositors and 'Elite Programme' for higher income households. As of June 30, 2020, Bank's deposit of ₹117,871.27 million represented 68.08% of its overall funding profile. Bank's retail deposits represented 16.20%, 24.30%, 44.42% and 46.40% of its total term deposits as of March 31, 2018, 2019, 2020 and June 30, 2020, respectively. Bank's CASA ratio was 29.23%, 25.25%, 20.47% and 19.97% as of March 31, 2018, 2019, 2020 and June 30, 2020, respectively. As a result, Bank's cost of funds were 8.13% and 7.97% in Fiscal 2019 and 2020, respectively, and was 7.63% (annualized)/ 1.91% (unannualized) in the three months ended June 30, 2020.

#### Increasingly focus on non-interest income sources

An important strategic focus for Bank is to diversify its fee and non-fund based revenues. Bank intend to achieve this by further cross-selling existing fee income products like distribution of mutual funds and insurance products, and introducing newer products and services. Bank engage with car dealers for issuance of 'FASTag', a self-service application for toll booths. Bank intend to build on this income source and engage with more number of car dealers across India for issuance of similar products. Bank intend to provide various payment solutions through mobile and internet Banking to increase the fee income generated from debit cards, bill payments, and transfers. For microfinance customers, Bank aim to market fee and nonfund based products such as health insurance, life insurance and general insurance, and also introduce micro-insurance products. For MSE and corporate customers, Bank intend to offer cash management services.

## **Risk Factors:**

Any measures taken by the RBI and other authorities that regulate Bank's operations may impact Bank's operations. Supreme Court pursuant to an interim order passed on various petitions filed by borrowers, has extended the moratorium period introduced by the RBI until appropriate decisions have been taken. The matter is currently pending. Further, the methodology of computation of interest during the moratorium period is subject to decision of the Supreme Court, when passed. In the event the moratorium is extended further or if there are adverse directions on the levy of interest on the borrowings during the moratorium period, it may adversely impact Bank's business and operations and financial performance.

#### **Objects of Issue:**

#### **Fresh Issue**

Bank proposes to utilize the Net Proceeds from the Offer towards augmenting Bank's Tier I capital base to meet bank's future capital requirements.
