Strong growth across segments...

In Q4FY21, we expect strong revenue growth for construction companies driven by a benign base and pick-up in execution. For real estate companies, key highlight will be continued robust residential sales volumes growth led by factors such as pent up demand, benign interest rates and measures such as a cut in stamp duty in Maharashtra.

Residential sales volumes traction to remain healthy...

We anticipate residential sales will maintain their strong momentum in Q4FY21 led by pent up demand, benign interest rates, launches and measures such as a cut in stamp duty in Maharashtra. We bake in ~34%, ~2.6x YoY growth in sales volumes of Brigade, Oberoi Realty, respectively. On the leasing front, new leasing activity is likely to remain on the back burner with continued work from home scenario. The hospitality and retail segment is likely to show a marked improvement in Q4, albeit the second wave of Covid-19 implies weakness may persist in the subsequent quarter.

For Kajaria, we expect sales volumes to witness strong growth YoY (albeit muted QoQ) on a benign base, driven by robust demand. We expect revenues to grow ~29% YoY to ₹ 842 crore with tiles volume growth of ~24% YoY. Given the operating leverage, we expect EBITDA margins to expand 570 bps YoY to 20%. Overall, we expect the bottomline to grow ~116% YoY to ₹ 107.1 crore.

Infrastructure: Healthy inflows; robust revenue growth

Healthy order inflows took place across the construction universe. KNR announced four orders (two HAM, two EPC road projects) with inflows worth ~₹ 5668 crore in Q4. HG Infra secured four projects (three HAM, one project of pond ash transportation from NTPC) totalling ₹ 2,564 crore. PNC has announced rural water supply for six districts of UP worth ₹ 2475 crore during the quarter. NCC received order inflows worth ₹ 1730 crore during the quarter. Ashoka Buildcon, on the other hand, won EPC package of 150 MW solar PV project in Rajasthan worth ₹ 502 crore, during the quarter.

On the execution front, we expect construction companies to witness robust growth. On an overall basis, we expect our road & construction universe to post revenue growth by 23% YoY to ₹ 7246 crore. PNC, NCC and HG Infra are likely to outperform with topline growth of ~35%, ~26% and ~24% YoY, respectively. The reported EBITDA margin of our universe is expected to contract 200 bps YoY to 13.5% as base quarter had some one-offs. Overall, we expect our universe PAT to grow 11.5% YoY to ₹ 523.1 crore largely driven by a robust topline performance.
