Dear Sir/Madam,

We refer your letter Ref. No: NSE/CM/Surveillance/14671 dated August 29, 2024 on the captioned subject matter seeking clarification on exchange observation on a significant increase in Volume of the Company security at National Stock Exchange of India Limited (NSE).

In this regard, we wish to inform that pursuant to Regulation 30 of the SEBI (LODR) Regulations, 2015, the Company has been very prompt and have been regularly intimating to the Exchange(s) all the events, information that have a bearing on the operation/performance of the Company which include all price sensitive information (PSI), etc. and wish to inform that there is no additional information/announcement (including impending announcement) by the Company at this point of time which in our opinion needs to be reported/disclosed which may have bearing on the volume behaviour in the Company Security.

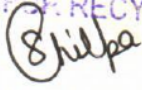

As such the observation of the security volumn trends is purely market driven and may be linked to market conditions. We will keep the Stock Exchange duly informed of any material information/material event, as required under the said regulations as and when any such event occurs.

Accordingly, you are requested to kindly take the same on your record.

Thanking you,

Yours faithfully
