## **Tembo Global Industries Limited Wins INR 43.89 Crore Domestic Water Irrigation Project Order**

Tembo Global Industries Limited, a leading industrial company with expertise in engineering mechanics, design, and project execution, is excited to announce the receipt of a major domestic order for a water irrigation project. The order, valued at INR 43.89 Crores (INR 43,89,00,392), is a significant step forward in the company's commitment to supporting vital infrastructure development across various sectors.

The order involves the supply of Ductile Iron (DI) pipes and is scheduled for completion within the next 12 months, highlighting Tembo Global's capacity for timely and efficient project execution. This development further solidifies the company's position in sectors such as oil and gas, chemicals, construction, power, shipbuilding, nuclear power, HVAC, and anti-vibration systems, as well as in industrial, commercial, utility, and OEM installations.

**Mr. Sanjay J. Patel, Managing Director of Tembo Global Industries Limited**, shared his enthusiasm: "We are pleased to have secured this order, which reinforces our standing in the domestic market. This achievement reflects our capability in engineering mechanics, design, manufacturing, and execution across diverse industries. As a Star Export House and a listed entity on the National Stock Exchange (NSE), we continue to be committed to delivering high-quality, reliable solutions to our clients, while adhering to global standards."

Tembo Global Industries Limited has established itself as a trusted partner across multiple industries. With a global presence, the company continues to lead in delivering engineering and manufacturing solutions that meet the demands of its wide range of clients in both domestic and international markets.
