Press Release – For Immediate Release

Premier Energies Secures Orders Worth ₹ 2307.30 Crores in Q3 FY26

Hyderabad, December 31, 2025

Premier Energies Limited has secured new orders aggregating to ₹ 2307.30 crores during Q3 FY26. Execution of these orders is scheduled across FY27 and FY28.

The contracts have been awarded by a mix of leading domestic Independent Power Producers (IPPs) and other prominent customers in India, reflecting continued confidence in Premier Energies' product quality, execution capabilities, and integrated manufacturing platform.

These orders provide sustained revenue visibility and support the company's ongoing capacity expansion plans, which aim to reach 10.6 GW of solar cell capacity and 11.1 GW of solar module capacity by September 2026.

Commenting on the development, **Mr. Chiranjeev Saluja**, Managing Director & CEO, Premier Energies Limited, said:

“This robust order inflow underscores the trust our customers place in our manufacturing capabilities and technology roadmap. As India accelerates renewable energy deployment under the Atmanirbhar Bharat initiative, we remain focused on delivering high-quality solar solutions at scale while strengthening our backward integration and integrated manufacturing platform.”

About Premier Energies Limited

Premier Energies Limited is a publicly listed company and one of India's largest integrated solar manufacturers. With over 30 years of experience in solar manufacturing, the company is recognized for its focus on technology innovation, sustainability, and an employee-centric culture. Premier Energies has earned the Great Place to Work® certification for four consecutive years.
