**Sub: Clarification sought for Financial results of the Tinna Rubber And Infrastructure Limited (“the Company”).**

Dear Sir/Madam,

We refer to your email dated January 13, 2026, seeking clarification on the Financial results filed as Outcome of Board Meeting-Financial Results submitted to the Exchange dated 14-Nov-2025, regarding the deficiency observed by your good office in our Financial results submitted in XBRL in respect of ‘Standalone EPS in XBRL is not matching with PDF’.

In this regard, we wish to inform your good office that after revisiting the documents and reports filed to your good office, we found that due to inadvertent clerical error the basic/diluted earnings (loss) per share from operations was captured in discontinued operations instead of continuing operations.

The said clerical oversight was inadvertent and unintentional. We assure your office our utmost care and diligence for future compliances.

This is further submitted to your good office that we have filed the revised Standalone results XBRL as per your guidance and requirement after making the necessary rectification and correction today (January 13, 2026) itself.

We request you to kindly take the above on record

Thanking you

Yours faithfully

For **TINNA RUBBER AND INFRASTRUCTURE LIMITED**
