

Ajooni Biotech Receives Prestigious Significant Biggest ever Order worth ₹47.52 crores

Mohali – February 9, 2026: Ajooni Biotech Limited (NSE: AJOONI), a PURE VEG. animal health care solutions company, is pleased to announce the receipt of prestigious significant biggest ever order worth ₹47.52 crores from an existing valued customer for the supply of our scientifically formulated cattle feed.

This order not only reflects the trust and confidence in the quality of our PURE VEG. cattle feed and PURE VEG. supplements but also underscores our commitment to excellence and market expansion. Successfully exporting to various countries and now securing this prestigious big order are testaments to our team's hard work and dedication. We look forward to building strong, long-term relationships with our clients and continuing to drive growth and innovation in the agricultural sector.

Our company believes to maintain this continuity of big orders in future also and build healthy relations with all our clients.

Ajooni has successfully completed and commissioned the new plant at Khanna (Punjab). Commercial production has also started. The new facility has an annual production capacity of 1,20,000 Metric Ton, which will take our total production capacity to 1,80,000 Metric Ton per year. It is also equipped with advanced technology and modern machinery, which are expected to significantly enhance the operational efficiency, reduce production costs and improve product quality. This enhanced capacity is expected to significantly improve overall profitability and strengthen revenue margins, driven by higher volumes and improved operational efficiencies.

Recently the Board has discussed the proposal of merger/amalgamation of Healthy Biosciences Limited with Ajooni Biotech Limited

About Ajooni Biotech Limited

Ajooni Biotech Limited is a PURE VEG. animal health care solutions company. It stands as a trailblazer, innovator, and frontrunner in the realm of animal feed production, prioritizing excellence in quality, safety, and production innovation, along with a commitment to delivering exceptional customer service.
