Dear Sir/ Ma'am,

**Sub:- Clarification on Increase in Volume****Ref:- Letter No. NSE/CM/Surveillance/16494 dated February 23, 2026**

This has reference to your above referred letter received by us vide email dated February 23, 2026 seeking our clarification on increase in volume of shares of the Company across the exchanges.

In this regard, please be informed that the tariff hikes implemented by the United States of America are having a negative impact to Indian capital market specifically to export oriented companies including Kitex Garments Limited. As the Company derives over 80% of its revenue from exports, primarily garments for infants and children, to the US market, these tariff changes are influencing our trade dynamics. The latest news on US Supreme Court ruling striking down broad Trump-era tariffs imposed via executive orders, easing trade uncertainties for Indian textile exporters, has given a fillip to the export oriented companies including our Company on the expectation of a positive outcome.

The Company is not aware of any other information that led to the movement in the volume of the shares of the Company. Also, the Company has in the past made timely disclosure under Regulation 30 of the Listing Regulations, and will continue to disseminate any price sensitive information to the Exchanges that may have bearing on the price/ volume of the shares which are traded on the Stock Exchanges for the information of the shareholders.

Hope this clarifies the matter. We request you to kindly take the same on record.

Thanking you,

Yours faithfully,

For **Kitex Garments Limited****Dayana Joseph**
