## **Business Update Release**

### **Silver Touch Technologies Selected for Development of Digital Platform for Centre for Integrative Medicine & Research (CIMR), AIIMS New Delhi**

**Prestigious medical research initiative integrating modern medicine with traditional systems under a Unified Digital Framework**

**Ahmedabad, 4<sup>th</sup> March, 2026:** Silver Touch Technologies Limited, a leading digital transformation and e-Governance solutions provider, is pleased to announce that it has been awarded the project for **Designing and Development of the Website and Digital Platform for the Centre for Integrative Medicine & Research (CIMR), AIIMS New Delhi.**

CIMR is envisioned as a premier national centre dedicated to the convergence of contemporary medicine with India's traditional systems of healthcare, fostering interdisciplinary research, clinical integration, and evidence-based integrative medical practices.

#### **Strategic Significance**

CIMR represents one of the most prestigious initiatives in India's medical ecosystem, focusing on:

- Evidence-based integration of Ayurveda, Yoga and modern clinical sciences
- Translational research bridging laboratory science and clinical practice
- National and global research collaborations
- Dissemination of validated medical knowledge
- Public awareness and patient education

The digital platform will enable:

- Structured dissemination of research outcomes
- Transparent publication of clinical studies and data
- Seamless stakeholder engagement (researchers, clinicians, students, policymakers)
- Secure digital governance of medical knowledge assets

This project strengthens Silver Touch's footprint in Healthcare IT, Academic Research Digitalization, and Government Medical Institutions, expanding its portfolio beyond administrative e-Governance into mission-critical research infrastructure.

## Business Impact

- Enhances Silver Touch’s presence in the healthcare and medical research domain
- Reinforces expertise in government-compliant digital infrastructure
- Strengthens annuity-based support and maintenance portfolio
- Positions the company for future AI-enabled health informatics initiatives

## Commenting on the development, Mr. Minesh V. Doshi, Executive Director, Silver Touch Technologies Limited, said:

*“Being entrusted with the digital platform for the Centre for Integrative Medicine & Research at AIIMS New Delhi is a matter of immense pride. This initiative represents a significant step in strengthening research-driven healthcare in India. We are committed to delivering a secure, scalable and future-ready platform that supports medical research excellence and knowledge dissemination at national and global levels.”*

## About Silver Touch Technologies Limited:

Silver Touch Technologies Limited is a rapidly growing IT solutions, consulting and business process services company. The Company leverages cloud computing, AI, automation, analytics and open-source technologies to deliver secure, scalable and citizen-centric digital platforms across government and enterprise sectors.
