Choice Group Secures Multi-Crore Mandates from Government Departments for PMU, Digital Transformation, and Policy Reforms Across India

March 17, 2026, Mumbai - Choice group through its subsidiaries Choice Consultancy Services Private Limited (CCSPL), Choice Capital Advisors Private Limited (CCAPL) and Ayoleeza Consultants Private Limited (ACPL) has secured multiple mandates approximately worth Rs 55 crores from government departments across India to support programme management, governance reforms, and digital transformation initiatives. These engagements involve policy evaluation, scheme monitoring, financial advisory and technology-driven service delivery. The following sections provide details of the assignments awarded to the Company.

1. Preparation of DPR for School Infrastructure (Karnataka | 2 Months):

As the appointed Consultant, CCSPL will undertake the preparation of a Detailed Project Report (DPR) for the infrastructure improvement of approximately 800 government schools across the state of Karnataka. CCSPL will be responsible for conducting comprehensive site surveys, architectural planning, and structural designs to modernize these educational facilities. The project involves detailed cost estimation (BOQ), technical feasibility studies, and the creation of a phased implementation roadmap to ensure the successful enhancement of the state's educational physical environment. Following are the further details of the project:

Name of the entity awarding the order(s)/contract(s)	Department of Public Instruction, Karnataka
Significant terms and conditions of order(s)/contract(s) awarded, in brief	Preparation of a Detailed Project Report (DPR) for approx. 800 schools, including site assessment, architectural layouts, structural design, and detailed cost estimates. Designs must comply with state educational norms and safety standards.
Nature of order(s)/contract(s)	Consultancy Services for Infrastructure Planning and Detailed Project Report
Time period by which the order(s)/contract(s) is to be executed	2 Months.
Broad commercial consideration or size of the order(s)/contract(s)	Rs. 17,86,00,000 including GST

2. PACS Computerization (Karnataka | 15 Months):

As System Integrator, CCSPL will digitize 1,083 Primary Agricultural Credit Societies to boost efficiency, transparency, and farmer-centric service delivery. Following are the further details of the project:

Name of the entity awarding the order(s)/contract(s)	Department of Co-operation, Govt. of Karnataka
--	--

Significant terms and conditions of order(s)/contract(s) awarded, in brief	System Integrator for Computerisation of Primary Agriculture Credit Society in Karnataka
Nature of order(s)/contract(s)	E-Governance Services
Time period by which the order(s)/contract(s) is to be executed	15 Months
Broad commercial consideration or size of the order(s)/contract(s)	Rs. 11,43,55,932 including GST

3. Media Monitoring Centre (MMC) Establishment (Maharashtra | 18 Months):

As the appointed System Integrator, CCSPL will establish a state-of-the-art Media Monitoring Centre (MMC) for the Directorate General of Information & Public Relations (DGIPR), Government of Maharashtra. Utilizing advanced AI-based analytical tools, CCSPL will provide real-time tracking, aggregation, and reporting of media coverage across print, TV, digital, and social media platforms to strengthen the State's data analytical capacities. The project aims to facilitate continuous engagement between the Government and the public, identifying service delivery gaps and public grievances through intensive sentiment and trend analysis. Following are the further details of the project:

Name of the entity awarding the order(s)/contract(s)	Directorate General of Information & Public Relations (DGIPR), Government of Maharashtra.
Significant terms and conditions of order(s)/contract(s) awarded, in brief	Establish and operate a Media Monitoring Centre (MMC) within the purchaser's premises. The agency must provide an integrated AI-based dashboard for tracking media, generate sentiment and trend analysis, and deploy at least 10 trained resources for 24/7 operations.
Nature of order(s)/contract(s)	Quality & Cost Based Selection (QCBS) for Media Monitoring, News Analysis, and E-Governance Services.
Time period by which the order(s)/contract(s) is to be executed	18 Months (6 months for implementation and 12 months for operations).
Broad commercial consideration or size of the order(s)/contract(s)	Rs. 9,98,28,000 including GST

4. Project Supervision Services (PSS) (Hyderabad | 24 Months)

As the appointed Consultant, ACPL along with its partner will provide Project Supervision Services (PSS) for the CPM/Gati Shakti/Hyderabad Unit. The scope of work involves comprehensive technical supervision and management of engineering projects to ensure quality control, adherence to safety standards, and timely execution of infrastructure developments. The project aims to facilitate the effective implementation of Gati Shakti initiatives through the deployment of specialized technical manpower for railway infrastructure works. Following are the further details of the project:

Name of the entity awarding the order(s)/contract(s)	South Central Railway, Government of India.
--	---

Significant terms and conditions of order(s)/contract(s) awarded, in brief	Provision of Project Supervision Services (PSS) for the Gati Shakti Hyderabad Unit, including the deployment of a professional team (Team Leader, Bridge Engineer, S&T Engineer, etc.) to monitor construction progress and technical compliance.
Nature of order(s)/contract(s)	Project Supervision Services (PSS)
Time period by which the order(s)/contract(s) is to be executed	24 Months.
Broad commercial consideration or size of the order(s)/contract(s)	Rs. 5,07,10,650 including GST

5. Highway Infrastructure DPR (Maharashtra | 15 Months)

As the appointed Consultant, ACPL along with its partner will undertake the preparation of a Detailed Project Report (DPR) for the development of the Kusumba-Dondaicha-Shahada section of NH-160H and the MP Border-Palpadiya-Raver section of NH-347C. The scope involves comprehensive engineering surveys, traffic studies, and the formulation of technical designs for 2-lane with paved shoulders or 4-lane road configurations. This project is a critical step toward enhancing regional connectivity and modernizing highway infrastructure within the state of Maharashtra in coordination with national transport standards. Following are the further details of the project:

Name of the entity awarding the order(s)/contract(s)	Ministry of Road Transport & Highways (MoRTH), Government of India.
Significant terms and conditions of order(s)/contract(s) awarded, in brief	Preparation of a Detailed Project Report (DPR) including technical, environmental, and financial feasibility assessments for specified sections of NH-160H and NH-347C.
Nature of order(s)/contract(s)	Preparation of Detailed Project Report
Time period by which the order(s)/contract(s) is to be executed	15 Months
Broad commercial consideration or size of the order(s)/contract(s)	Rs. 2,42,18,449 including GST

6. PMU for MCC Performance Improvement (Chandigarh | 24 Months)

CCSPL has been appointed to assist in project planning, monitoring, financial and procurement advisory, and coordination with various departments and stakeholders. Our engagement will also support data-driven monitoring, policy implementation, and digital initiatives to enhance urban service delivery, operational efficiency and overall performance improvement of municipal services. Following are the further details of the project:

Name of the entity awarding the order(s)/contract(s)	Municipal Corporation Chandigarh
Significant terms and conditions of order(s)/contract(s) awarded, in brief	Selection of Agency to set up a Project Management Unit (PMU) for Performance Improvement of MCC Services
Nature of order(s)/contract(s)	Consultancy Services

Time period by which the order(s)/contract(s) is to be executed	24 Months
Broad commercial consideration or size of the order(s)/contract(s)	Rs. 2,48,13,559 including GST

7. PMFBY Programme Monitoring (Odisha | 24 Months)

CCSPL has been engaged to support the monitoring and implementation oversight of the Pradhan Mantri Fasal Bima Yojana (PMFBY) in Odisha through a dedicated Project Management Unit (PMU). Our engagement will also support IEC awareness campaigns, grievance monitoring and tracking of crop insurance claims to strengthen crop insurance delivery for farmers across the state and ensure effective scheme implementation, data monitoring and farmer outreach. Following are the further details of the project:

Name of the entity awarding the order(s)/contract(s)	Co-operation Department, Government of Odisha
Significant terms and conditions of order(s)/contract(s) awarded, in brief	Selection of Consulting Agency for PMU services under PMFBY Scheme
Nature of order(s)/contract(s)	Consultancy Services
Time period by which the order(s)/contract(s) is to be executed	24 Months
Broad commercial consideration or size of the order(s)/contract(s)	Rs. 1,83,64,746 including GST

8. Cloud-Based CCTV and Surveillance (Andhra Pradesh | 6 Months):

As the successful bidder, CCSPL will provide an integrated cloud-based CCTV, video storage, and centralized surveillance solution across 73 locations in Andhra Pradesh for a government agency through Central Electronics Limited (CEL). CCSPL is responsible for deploying a Cloud-Based Video Management System (VMS) for 584 cameras, establishing 100+ TB of cloud storage, and providing real-time dashboards and multi-location reporting. The project includes initial manpower deployment for data backup and three months of continuous project management and technical support. Following are the further details of the project:

Name of the entity awarding the order(s)/contract(s)	Central Electronics Limited (CEL), a Public Sector Enterprise.
Significant terms and conditions of order(s)/contract(s) awarded, in brief	Supply and installation of a cloud-based application, VMS software licenses, and 150 TB cloud storage. Includes manpower for data backup and 6 months of project management. All techno-commercial terms are on a back-to-back basis with the end customer.
Nature of order(s)/contract(s)	IT Surveillance and E-Governance Services
Time period by which the order(s)/contract(s) is to be executed	6 Months.
Broad commercial consideration or size of the order(s)/contract(s)	Rs. 1,50,93,184 including GST.

9. Independent Engineer & Auditor (IE&A) for Silos (Rajasthan | 27 Months):

As the appointed Independent Engineer & Auditor (IE&A), CCSPL will supervise and monitor the development of food grain storage silos on a Design, Build, Finance, Own & Operate (DBFOO) basis. For Project-11 (Rajasthan-1), the scope includes 4 locations: Sriganganagar, Srivijaynagar, Hanumangarh Jn., and Sangaria. For Project-12 (Rajasthan-2), it includes 3 locations: Jodhpur, Udaipur, and Rajsamand. CCSPL is responsible for technical auditing and reviewing construction progress to ensure strict adherence to the Concession Agreement for the Food Corporation of India (FCI). Following are the further details of the project:

Name of the entity awarding the order(s)/contract(s)	Food Corporation of India (FCI), Regional Office, Rajasthan.
Significant terms and conditions of order(s)/contract(s) awarded, in brief	Supervision and monitoring of silo construction and operations as Independent Engineer & Auditor. This includes technical auditing and ensuring compliance with the Concession Agreement for DBFOO storage projects.
Nature of order(s)/contract(s)	Consultancy Services (Independent Engineer & Auditor).
Time period by which the order(s)/contract(s) is to be executed	27 Months
Broad commercial consideration or size of the order(s)/contract(s)	Rs. 1,37, 01,680 including GST.

10. PMU Financial Governance Support (Chhattisgarh | 12 Month):

CCSPL has been appointed to strengthen the financial governance and compliance through internal audits, taxation compliance and pre-audit verification of financial transactions. Our team will manage and ensure effective financial control and financial management while maintaining transparency and adherence to statutory regulations. Our engagement will also support financial reporting, risk mitigation and improved decision-making systems. Following are the further details of the project:

Name of the entity awarding the order(s)/contract(s)	Chhattisgarh Infotech Promotion Society (CHiPS)
Significant terms and conditions of order(s)/contract(s) awarded, in brief	Providing PMU Services to support Financial Vertical for CGMSCL
Nature of order(s)/contract(s)	Consultancy Services
Time period by which the order(s)/contract(s) is to be executed	12 Months
Broad commercial consideration or size of the order(s)/contract(s)	Rs. 82,78,800 including GST

11. GST Reform Impact Study – Textile Sector (Maharashtra | 3 Months)

CCSPL will undertake an impact evaluation of the Next-Generation GST reforms through sectoral analysis, nationwide surveys, stakeholder consultations and data-driven research covering manufacturing segments and consumers. The study will assess the impact of GST reforms on industry competitiveness, demand patterns, and export dynamics and will provide strategic recommendations to strengthen policy initiatives for the growth of the textile sector. Following are the further details of the project:

Name of the entity awarding the order(s)/contract(s)	Textile Committee
Significant terms and conditions of order(s)/contract(s) awarded, in brief	Engagement of Consultancy Organisation to Undertake Study on "Impact Evaluation of Next-Generation GST Reforms in the Textile Sector"
Nature of order(s)/contract(s)	Consultancy Services (Research & Impact Evaluation Study)
Time period by which the order(s)/contract(s) is to be executed	3 Months
Broad commercial consideration or size of the order(s)/contract(s)	Rs. 65,00,000 including GST

12. Assam Industrial & Green Growth Fund – AIF Setup (Assam | 84 Months):

CCAPL along with its partner has been awarded the mandate to support the AIFA, in setting up and operationalizing the Assam Industrial and Green Growth Fund under the Alternate Investment Fund (AIF). Our engagement will involve fund structuring, regulatory support, fund-raising strategy, investor outreach and overall fund management advisory. Choice will work closely with government stakeholders and financial institutions to mobilize investments and enable sustainable industrial and green growth initiatives in the state. Following are the further details of the project:

Name of the entity awarding the order(s)/contract(s)	Assam Infrastructure Financing Authority (AIFA)
Significant terms and conditions of order(s)/contract(s) awarded, in brief	Provide consultancy services for the setting up, fund raising and management of "Assam Industrial and Green Growth Fund"
Nature of order(s)/contract(s)	Consultancy Services (Fund Structuring & Investment Advisory)
Time period by which the order(s)/contract(s) is to be executed	84 Months
Broad commercial consideration or size of the order(s)/contract(s)	Based on total funds raised for the AIF

Notes:

1. Entity's awarding the projects are domestic in nature.
2. None of the promoters, members of the promoter group, or any of the group companies have any direct or indirect interest, whether financial or otherwise, in the entity that has awarded the projects.
3. The above mentioned projects are not related party transactions.
