PRESS RELEASE

Solex Energy Limited Delivers Robust H1 FY26 Performance

₹415 Crore Revenue from Operations, Marking 52% YoY Growth

Surat, Gujarat, October 9, 2025: [Solex Energy Limited \(NSE Code: SOLEX\)](#), one of India's leading manufacturers of high-efficiency solar PV modules and a trusted provider of EPC solutions, has reported a strong performance for the first half of FY26. The company achieved **₹415 crore in revenue from operations**, representing a **52% year-on-year growth** compared to ₹273 crore during the same period last year.

This robust performance reflects Solex's continued growth momentum across its manufacturing and EPC divisions, supported by strong market demand, operational efficiency, and a rapidly expanding project portfolio across India and international markets.

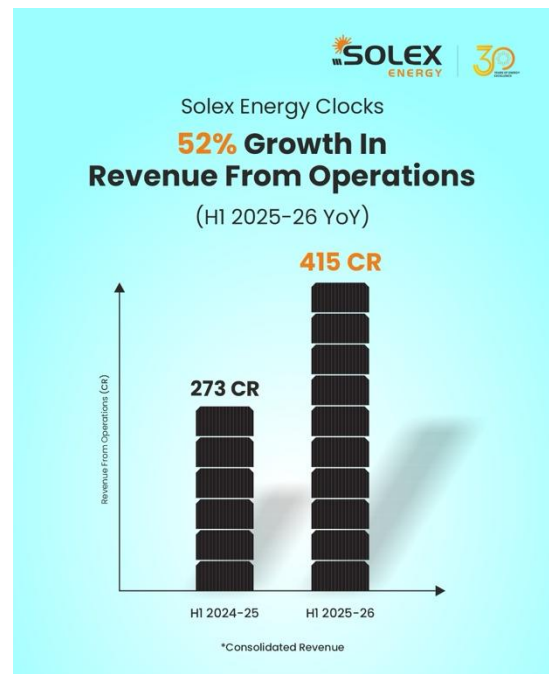

On **October 8, 2025**, Solex Energy Limited successfully **migrated from the NSE Emerge platform to the NSE Main Board**, marking a historic milestone in its journey of growth and governance excellence. The event, held in **Surat the company's home city**, was graced by dignitaries, investors, partners, and employees. This achievement underscores Solex's strong fundamentals, transparency, and stakeholder trust as it enters a new era of corporate growth and market leadership.

Solex operates its **fully automated GW-scale manufacturing facility at Tadkeshwar**, on the outskirts of Surat, Gujarat, a state-of-the-art setup that integrates precision engineering, robotics, and advanced quality systems to produce **high-efficiency solar PV modules up to 600+ Wp**.

Under its **Vision 2030**, Solex plans to achieve **10 GW of solar module manufacturing** and **10 GW of cell manufacturing capacity**, supported by technology partnerships, automation, and sustainable business practices. The company's long-term roadmap includes strategic investments exceeding over one billion dollar to create a fully integrated renewable energy ecosystem.

[Dr. Chetan Shah, Chairman and Managing Director, Solex Energy](#), said: "The strong H1 FY26 results and our upcoming migration to the NSE Main Board reflect the trust of our stakeholders and the strength of our long-term vision. As we scale to new capacities under Vision 2030, Solex remains committed to advancing India's clean energy transformation powered by innovation, technology, and purpose."

With a 30-year legacy of reliability and excellence, Solex continues to serve a diverse clientele, including **government agencies, PSUs, corporates, and global partners** across more than **20 Indian states and in multiple countries**.
