Sub.: Press Release – KP Group and F Plus Healthcare Technologies Ink Global Alliance to Develop Green-Energised Modular Data Centres, Life Sciences and Advanced Technology Facilities

Dear Sir/Madam,

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we are enclosing herewith a Press Release titled “*KP Group and F Plus Healthcare Technologies Ink Global Alliance to Develop Green-Energised Modular Data Centres, Life Sciences and Advanced Technology Facilities*”.

This is for your information and records.

Thanking you,

Yours faithfully,

For KPI Green Energy Limited

Moh. Sohil Yusuf Dabhoya

Whole Time Director

For immediate release

KP Group and F Plus Healthcare Technologies Ink Global Alliance to Develop Green-Energised Modular Data Centres, Life Sciences and Advanced Technology Facilities

Surat, India, October 29, 2025: KP Group, a leader in renewable energy solutions has signed a Memorandum of Understanding (MoU) with F Plus Healthcare Technologies Pvt. Ltd., which owns the brand called “Podtech”, and its subsidiary FVE Lifecare General Trading LLC, to collaborate on the development of next-generation, green-powered containerised data centres, life sciences and advanced technology facilities (ATF).

Under this strategic MoU, both parties aim to jointly design and deploy modular, sustainable containerised infrastructure ecosystems that operate on renewable energy, including solar, wind, hybrid, Battery Energy Storage System (BESS) and green hydrogen solutions. These initiatives will support low-carbon computing and life sciences infrastructure worldwide.

Scope of Collaboration:

- KP Group will supply and integrate renewable power solutions, support site evaluation and connectivity, and optimize energy efficiency for the projects.
- F Plus Healthcare Technologies will design and deploy containerised edge-computing data centres, work with KP Group on pilot projects, and explore global commercial rollouts of green energy-powered life sciences & advanced technology facilities.

This collaboration will explore the feasibility of scaling sustainable modular infrastructure across global markets integrating advanced technology, AI architecture, and renewable energy solutions for the life sciences & ATF sectors.

Commenting on the MoU, **Dr. Faruk G. Patel, Founding Promoter of KP Group**, said: *"This partnership reflects our commitment to driving sustainable technology solutions globally. By combining our expertise in renewable energy with F Plus Healthcare Technologies' cutting-edge modular infrastructure, we aim to create energy-efficient, AI-ready data centres that contribute to a low-carbon future."*

Mr. Aasif Ahsan Khan, Founding Promoter of F Plus Healthcare Technologies, added: *"Collaborating with KP Group enables us to deploy sustainable, green-power to our products such as Lifesciences, Data Centres and Advanced Technology Facilities. Together, we are setting new benchmarks for digital and healthcare infrastructures that are powered with green energy."*

This MoU lays the groundwork for future binding agreements governing specific projects, commercial terms, and deliverables, while ensuring confidentiality, exclusivity, and risk-sharing between the parties.

About KP Group:

Established in 1994, by Dr. Faruk G. Patel, KP Group has grown into a multi-faceted conglomerate with core expertise in renewable energy, infrastructure, and innovation. Over the past three decades, the group has championed sustainability by spearheading transformative projects in wind, solar, hybrid energy, Battery Energy Storage System (BESS) and green hydrogen, thereby contributing to India's green energy mission. With a strong portfolio of renewable energy projects, KP Group has earned a reputation as a trusted partner for companies committed to reducing their carbon footprint. The group remains steadfast in its mission to contribute meaningfully to India's energy transition while setting new benchmarks in the renewable energy sector.

About F Plus Healthcare Technologies

F Plus Group, founded by Mr. Aasif Ahsan Khan, is engaged in developing innovative solutions for the healthcare and advanced technology sectors in modular container facilities, with a focus on creating cutting-edge systems for efficient delivery of life science projects. The Group also provides prefabricated, modular data centre infrastructure solutions with integrated provisions for IT systems and AI architecture, enabling high-performance, scalable, and sustainable digital environments.
