ACME Solar secures INR 3,892 crore project funding for 400 MW FDRE Project from State Bank of India

GURUGRAM – September 11, 2025: ACME Venus Urja Private Limited, a wholly owned subsidiary of ACME Solar Holdings Limited has secured long term project funding of INR 3,892 crore from State Bank of India (SBI) for the development and construction of a 400 MW Firm and Dispatchable Renewable Energy (FDRE) project with repayment spread across 19 years. The funding is significant as it represents the company's largest financing from SBI and also, represents SBI's first financing in ACME's FDRE projects.

The project is being developed in Barmer, Rajasthan and is contracted with NHPC at a tariff of INR 4.64/Unit. The project would entail installing solar and Battery Energy Storage System (BESS) to meet the supply obligations and ensure higher dispatchability as per the PPA conditions.

About ACME Solar Holdings: ACME Solar Holdings is a leading integrated renewable energy player with a diversified portfolio spanning solar, wind, storage, FDRE and hybrid solutions and an operational capacity of 2,890 MW. With an in-house EPC and O&M division, the company does end-to-end development and O&M of the plants, thereby delivering projects in a time & cost-effective manner while ensuring best in class operating performance evident in its industry leading CUF and operating margins.
