Sub: Reply to clarification sought by Exchange for spurt in volume in shares of the Company in recent past

Dear Sir/Madam,

This is in reference to your email dated 08.09.2025. We would like to clarify that the Company has consistently complied with the requirements of Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. All events and information with a potential impact on the operations or performance of the Company, including any price-sensitive information, have been promptly disclosed to the Stock Exchanges as and when required.

Further, there is no additional information and/or announcement, which in our opinion may have a bearing on the Price/Volume behaviour of the Company's Scrip as traded across exchanges. Therefore, the movement in Company's share price is purely due to market conditions and apparently market driven on which the Company neither has any control nor has any knowledge of reasons.

Kindly take this clarification on record. In case you need any further clarification / information, we shall be glad to provide the same.

Thanking You,

Yours Sincerely,

For Salasar Techno Engineering Limited
