A new dawn led by a strong revival in travel and tourism

LEMONTRE is well placed to capitalize on the impending opportunity in the domestic Hospitality industry and the expected upcycle, due to: a) its strong presence in the mid-priced Hotel segment, (b) stabilization of hotels launched prior to the outbreak of the COVID-19 pandemic in greater demand and higher ARR markets, and c) an increase in the number of rooms through management contracts.

Key risks to our call include: a) Another COVID wave can dampen business demand further and delay capex; b) Softening of room rates due to demand normalization; c) and return of cost to pre-COVID levels.

Pickup in Business travel to benefit LEMONTRE as it has underutilized its new Hotel

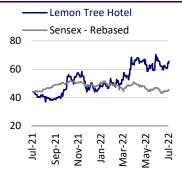

- With business travel picking up, LEMONTRE is in a sweet spot as ~86% of its rooms are located in the business destination. Prior to the COVID-19 pandemic (excluding Keys), the company had 71.5% occupancy (i.e. 3,100 rooms occupied per day in a portfolio of 4,300 owned rooms). Occupancy improved significantly in Apr'22, led by a recovery in business travel, pickup in MICE activity, and an improvement in international travel.
- In FY21, LEMONTRE operated 13 Toddler Hotels (operations commenced in the last one-to-three years) with 1,914 rooms, which accounted for 37% of its total owned/leased room inventory. These rooms were under the stabilization phase as the pandemic impacted their performance. Once normalcy is reached, stabilization will drive growth.
- Revenue contribution from three hotels, which commenced operations prior to the COVID-19 pandemic, are yet to be fully realized. These include: i) LTP Hotel in Mumbai with 303 rooms, ii) Aurika Hotel in Udaipur with 139 rooms, and iii) LTP Hotel in Kolkata with 142 rooms. Margin profile of Mumbai and Udaipur properties is estimated to be higher, resulting in margin expansion at the consolidated level.
- Keys, which operates in the Midscale segment, was acquired by LEMONTRE in 3QFY19 (pre-pandemic period) and was not able to operate at optimal capacity due to COVID-related lockdown restrictions. With the situation returning back to normal, Keys will see a recovery as most of its portfolio is in cities where IT demand is picking up.
- During the COVID-led lockdown, the industry slashed rates. Customers, who earlier visited Red Fox or Keys, upscaled to Lemon Tree Hotels. With conditions normalizing to pre-pandemic levels, the waterfall effect is expected to pass, with customers returning to their original consumption habits, thus improving the occupancy prospects of the Keys Hotel brand.

Stock's performance (one-year)

Incremental room addition to be under management contracts

- After establishing its presence and brand in the Mid-priced Hotel segment, LEMONTRE is now leveraging the same by adding rooms under the 'management contract' model. It has a strong pipeline of management contracts planned for the next few years across multiple brands. It has 24 signings lined up, with the mix leaning towards Lemon Tree Hotels (17 of 24 signings planned/~1,198 rooms) and major holiday destinations (19 of 24 signings planned/~1,120 rooms). Based on its current pipeline (as of 10th Jun'22), the management expects to operate 4,586 managed rooms by the end of FY24, with mix expected to move up to 47% of total rooms by FY24. When the current pipeline becomes operational by CY25, LEMONTRE will be operating ~10,600 rooms in 109 Hotels across 65 destinations.
- Management fee income has improved drastically, with three-year/two-year CAGR of 49%/67% at INR205m/INR174m in FY20/FY19. As the company changes focus to an asset-light model, the share of contribution is expected to increase in the future, pulling up margin.

Cost rationalization to aid in margin expansion

- LEMONTRE is focused on maintaining key costs HLP (heat, light, and power), employee, and raw material cost lower than pre-pandemic levels.
- The management aims to maintain HLP cost at INR10.5-10.7 per unit. v/s INR11.03 per unit in FY21. The company is looking to maintain its employee-to-room ratio at 0.6-0.7x (i.e. 25-37% lower than its FY20 ratio of 0.96x). Reduction in employee-to-room ratio is being undertaken without compromising on service quality.
- Newly launched higher yield Hotels and Upscale Hotels will drive margin. Increasing share of management fees will help improve its margin profile as it earns management fees at zero cost.

Fleur Hotels: A substantial part of the group

- LEMONTRE holds ~58.91% share in Fleur, with the balance held by the APG Strategic Real Estate Pool N.V. (APG) as of FY22.
- Fleur is a major subsidiary of the company, with a revenue/EBIDTA contribution of 70%/75% in FY21 v/s 40%/35% in FY18.
- It constitutes 40%/66% of LEMONTRE's total rooms/owned and leased as of FY22. LEMONTRE operates owned/leased rooms under Fleur, while management rooms are housed in another subsidiary: Carnations Hotels. Fleur has a total of 3,426 rooms (including Keys) across 17 Hotels in 12 cities.
- Under Fleur, LEMONTRE is building the largest Hotel (with 669 rooms) in Mumbai under the Upscale brand Aurika. The Hotel is expected to commence operations in CY23.

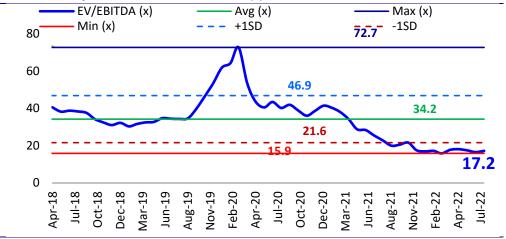

Revival story intact; maintain our Buy rating

- With improving traction in corporate travel, resumption in international travel, and an improvement in MICE activity, LEMONTRE is expected to witness strong growth as it garners ~86% of its business from Business Hotels.
- In FY21, LEMONTRE operated 13 Toddler Hotels with 1,914 rooms, which accounted for 37% of its owned/leased room inventory. The performance of these rooms, which were in the stabilization phase, has been impacted by the COVID-19 pandemic. Once normalcy is reached, stabilization will drive growth.

■ LEMONTRE is well placed to capitalize on the impending opportunity in the domestic Hospitality industry and the expected upcycle, due to: a) its strong presence in the Mid-Priced Hotel segment, b) stabilization of hotels launched prior to the outbreak of the COVID-19 pandemic in greater demand and higher ARR markets, and c) an increase in the number of rooms through management contracts. We expect LEMONTRE to deliver a revenue/ EBITDA CAGR of 51%/84% to INR9.1b/INR4.5b over FY22-24E and RoE to improve to 9.3% by FY24.

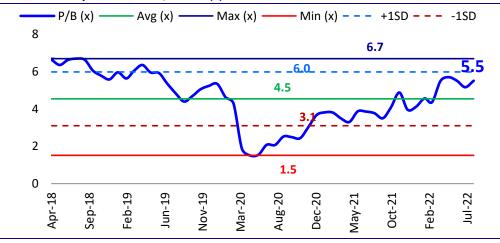

We have a Buy rating on the stock with a SoTP-based TP of INR86 (assigning an 18x one-year forward EV/EBITDA multiple to FY24E EBITDA).

Pickup in Business travel to benefit LEMONTRE as it has underutilized its new Hotel

■ With business travel picking up, LEMONTRE is in a sweet spot as ~86% of its rooms are located in the business destination. Prior to the COVID-19 pandemic (excluding Keys), the company had 71.5% occupancy (i.e. 3,100 rooms occupied per day in a portfolio of 4,300 owned rooms). In 3QFY22, the large corporate and MSME component dropped to 900 rooms a day from 1,500 rooms a day, with most rooms being booked by MSME customers. Large corporates were less

- than 100 rooms a day. Airlines dropped marginally to 120 rooms a day from 150 rooms, while daily MICE activity dropped to 250 rooms from 350 rooms.
- In Apr'22, corporate demand picked up, with occupied rooms increasing by 90% to 1,560 rooms v/s 820 rooms in 4QFY22. ARR improved by ~10% to INR4,200 v/s INR3,750 in 4QFY22. Revival in demand was also seen in other segments. Rooms occupied/ARR for the Airlines segment improved to 140 rooms/INR4,800 in Apr'22 v/s 120 rooms/INR3,600 in 4QFY22. The Travel and Trade segment was at an average occupied room/ARR of 150 rooms/INR4,900 in 4QFY22, which rose by 47%/12% to 220 rooms/INR5,500 in Apr'22. In the Retail segment, occupied room/ARR stood at an average 1,240 rooms/INR4,200 in 4QFY22. The same increased to 1,500 rooms/INR5,500 in Apr'22.

Keys Visakhapatnam	107
Aurika, Udaipur	139
Total	1,914

Source: MOFSL, Company

- Before the COVID-19 pandemic, the company commenced operations at four Hotels, but has not been able to realize their full revenue potential. These Hotels include: i) LTP Hotel in Mumbai with 303 rooms, ii) Aurika Hotel in Udaipur with 139 rooms, iii) LTP Hotel in Kolkata with 142 rooms, and iv) LTP, Pune with 201 rooms. We expect the Mumbai and Udaipur Hotels to generate a revenue of INR750-800m each and contribute a combined 18-20% of consolidated sales in FY23 and FY24. Margin profile for both properties is estimated to be higher (55-60%), resulting in margin expansion at the consolidated level. We estimate a combined consolidated EBIDTA of ~21% for the Mumbai and Udaipur Hotel in FY23 and FY24.
- Keys, which operates in the Midscale segment, was acquired by LEMONTRE in 3QFY19 (pre-pandemic period) and was not able to operate at optimal capacity due to COVID-related lockdown restrictions. With the situation returning back to normal, Keys will see a recovery as most of its portfolio is in cities where IT demand is picking up. The company has a total of 936 owned/leased rooms under the Keys portfolio, spread across seven hotels in six cities. In addition, there are 475 management contract rooms across eight hotels in eight cities.

During the COVID-led lockdown, the industry slashed rates. Customers, who earlier visited Red Fox or Keys, upscaled to Lemon Tree Hotels. With conditions normalizing to pre-pandemic levels, the waterfall effect is expected to pass, with customers returning to their original consumption habits, thus improving the occupancy prospects of the Keys Hotel brand.

Incremental room addition to be under management contracts

■ After establishing its presence and brand in the Mid-priced Hotel segment, LEMONTRE is now leveraging the same by adding rooms under the 'management contract' model. It has a strong pipeline of management contracts planned for FY23/FY24, across multiple brands, with 19 signings lined up (~1,021/268 rooms). The mix is leaning towards major holiday destinations. Based on the current pipeline (as of 10th Jun'22), it expects to operate 4,586 managed rooms by the end of FY24. Rooms under the management mix have drastically improved to 39% in FY22 from 14% in FY16, and is expected to inch up to 47% in FY24.

Management fee income has improved drastically, with a three/two-year CAGR of 49%/67% at INR205m/INR174m in FY20/FY19. As the company changes focus to an asset-light model, the share of contribution is expected to increase in the future, pulling up margin.

■ In 4QFY22, LEMONTRE signed a major 132 room agreement in Rishikesh under brand Aurika Hotels & Resorts (Luxury by Lemon Tree Hotels), which is expected to turn operational by Mar'25. Through this signing, the company aims to leverage its capability in the Upscale segment, which usually has a stronger margin, while maintaining an asset-light model.

Cost rationalization to aid in margin expansion

- LEMONTRE is focused on maintaining key costs HLP, employee, and raw material cost lower than pre-pandemic levels.
- The management aims to maintain HLP cost per unit at INR10.5-10.7. In FY22, it incurred a HLP cost of INR10.53 per unit v/s INR11.03 in FY21. As a percentage of revenue, power and fuel cost stood at 10.9% in FY22, down from 13% in FY21. We expect this to reduce further on higher sourcing of renewables and optimization of power usage in Hotels.
- During the COVID-19 pandemic, LEMONTRE utilized the opportunity to multi-skill its staff by imparting cross trainings across departments. It aims to maintain its employee-to-room ratio at 0.6-0.7x (i.e. 25-37% lower than its FY20 ratio of 0.96x). Reduction in employee-to-room ratio is being undertaken without compromising on service quality.
- Newly launched higher yield Hotels and Upscale Hotels will drive margin. Increasing share of management fees will help improve its margin profile as it earns management fees at zero cost.

Fleur Hotels: A substantial part of the group

- LEMONTRE holds ~58.91% share in Fleur Hotels Pvt. (Fleur) with the balance held by APG Strategic Real Estate Pool N.V. (APG).
- Fleur is a major subsidiary of the company, with a revenue/EBIDTA contribution of 70%/75% in FY21 v/s 40%/35% in FY18.
- Fleur constitutes 40%/66% of LEMONTRE's total/owned and leased rooms.
 Owned/leased rooms constitute Fluer's entire room portfolio. It has a total of 3,426 rooms (including Keys) across 17 Hotels in 12 cities.
- It also operates Hotels under major brands of LEMONTRE, which are LTP, LTH, Red Fox, Aurika, and Keys.
- The subsidiary is building the largest Hotel (with 669 rooms) in Mumbai under the Upper Upscale brand Aurika. Built at a capex of INR9.5b, this Hotel is expected to commence operations in CY23.
- APG infused the first tranche of INR1.75b into Fleur Hotels in 22nd Jun'20. For this, Fleur has issued and allotted 53,76,340 CCPS to APG at an issue price of INR325.5 per share. After this tranche, the shareholding of APG has increased to 44.33% (on a fully dilutive basis) from 41.76% earlier (from page 190 of FY21 AR).
- LEMONTRE have merged its subsidiaries Begonia Hotels Pvt. and Nightingale Hotels Pvt. with Fleur, effective 31st Mar'21. Consequently, the effective holding percentage changed to 55.67% after the allotment of shares to shareholders of the above subsidiaries on 20th Apr'21 from 54.69% in FY22.

Revival story intact; maintain our Buy rating

- With an improvement in corporate travel, resumption in international travel, and improving MICE activity, LEMONTRE is expected to witness strong growth as it garners ~86% of its business from Business Hotels.
- In FY21, LEMONTRE operated 13 Toddler Hotels, with 1,914 rooms, which accounted for 37% of its owned/leased room inventory. The performance of these rooms, which were in the stabilization phase, have been impacted by the COVID-19 pandemic. Once normalcy is reached, stabilization will drive growth.
- LEMONTRE is well placed to capitalize on the impending opportunity in the domestic Hospitality industry and the expected upcycle due to: a) its strong presence in the Mid-priced Hotel segment, b) stabilization of hotels launched prior to the outbreak of the COVID-19 pandemic in greater demand and higher ARR markets, and c) an increase in the number of rooms through management contracts. We expect LEMONTRE to deliver a revenue/EBITDA CAGR of 51%/84% over FY22-24E to INR9.2b/ INR4.5b, and expect RoE to improve to 9.3% by FY24.
- We have a Buy rating on the stock with a SoTP-based TP of INR86 (assigning an 18x one-year forward EV/EBITDA multiple to FY24E EBITDA).

The following Disclosures are being made in compliance with the SEBI Research Analyst Regulations 2014 (herein after referred to as the Regulations).

Motilal Oswal Financial Services Ltd. (MOFSL) is a SEBI Registered Research Analyst having registration no. INH000000412. MOFSL, the Research Entity (RE) as defined in the Regulations, is engaged in the business of providing Stock broking services, Investment Advisory Services, Depository participant services & distribution of various financial products. MOFSL is a subsidiary company of Passionate Investment Management Pvt. Ltd.. (PIMPL). MOFSL is a listed public company, the details in respect of which are available on www.motilaloswal.com. MOFSL (erstwhile Motilal Oswal Securities Limited - MOSL) is registered with the Securities & Exchange Board of India (SEBI) and is a registered Trading Member with National Stock Exchange of India Ltd. (NSE) and Bombay Stock Exchange Limited (BSE), Multi Commodity Exchange of India Limited (MCX) and National Commodity & Derivatives Exchange Limited (NCDEX) for its stock broking activities & is Depository participant with Central Depository Services Limited (CDSL) National Securities Depository Limited (NSDL), NERL, COMRIS and CCRL and is member of Association of Mutual Funds of India (AMFI) for distribution of financial products and Insurance Regulatory & Development Authority of India (IRDA) as Corporate Agent for insurance products. Details of associate entities of Motilal Oswal Financial Services Limited are available on the website at http://onlinereports.motilaloswal.com/Dormant/documents/List%20of%20Associate%20companies.pdf

MOFSL and its associate company(ies), their directors and Research Analyst and their relatives may; (a) from time to time, have a long or short position in, act as principal in, and buy or sell the securities or derivatives thereof of companies mentioned herein. (b) be engaged in any other transaction involving such securities and earn brokerage or other compensation or act as a market maker in the financial instruments of the company(ies) discussed herein or act as an advisor or lender/borrower to such company(ies) or may have any other potential conflict of interests with respect to any recommendation and other related information and opinions; however the same shall have no bearing whatsoever on the specific recommendations made by the analyst(s), as the recommendations made by the analyst(s) are completely independent of the views of the associates of MOFSL even though there might exist an inherent conflict of interest in some of the stocks mentioned in the research report

MOFSL and / or its affiliates do and seek to do business including investment banking with companies covered in its research reports. As a result, the recipients of this report should be aware that MOFSL may have a potential conflict of interest that may affect the objectivity of this report. Compensation of Research Analysts is not based on any specific merchant banking, investment banking or brokerage service transactions. Details of pending Enquiry Proceedings of Motilal Oswal Financial Services Limited are available on the website at alaxy.motilaloswal.com/ResearchAnalyst/PublishViewLitigation.aspx

A graph of daily closing prices of securities is available at www.nseindia.com, www.nseindia.com. Research Analyst views on Subject Company may vary based on Fundamental research and Technical Research. Proprietary trading desk of MOFSL or its associates maintains arm's length distance with Research Team as all the activities are segregated from MOFSL research activity and therefore it can have an independent view with regards to Subject Company for which Research Team have expressed their views.

Regional Disclosures (outside India)

This report is not directed or intended for distribution to or use by any person or entity resident in a state, country or any jurisdiction, where such distribution, publication, availability or use would be contrary to law, regulation or which would subject MOFSL & its group companies to registration or licensing requirements within such jurisdictions.

This report is distributed in Hong Kong by Motilal Oswal capital Markets (Hong Kong) Private Limited, a licensed corporation (CE AYY-301) licensed and regulated by the Hong Kong Securities and Futures Commission (SFC) pursuant to the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong) "SFO". As per SEBI (Research Analyst Regulations) 2014 Motilal Oswal Securities (SEBI Reg No. INH000000412) has an agreement with Motilal Oswal capital Markets (Hong Kong) Private Limited for distribution of research report in Hong Kong. This report is intended for distribution only to "Professional Investors" as defined in Part I of Schedule 1 to SFO. Any investment or investment activity to which this document relates is only available to professional investor and will be engaged only with professional investors." Nothing here is an offer or solicitation of these securities, products and services in any jurisdiction where their offer or sale is not qualified or exempt from registration. The Indian Analyst(s) who compile this report is/are not located in Hong Kong & are not conducting Research Analysis in Hong Kong.

For U.S.

Motilal Oswal Financial Services Limited (MOFSL) is not a registered broker - dealer under the U.S. Securities Exchange Act of 1934, as amended (the "1934 act") and under applicable state laws in the United States. In addition MOFSL is not a registered investment adviser under the U.S. Investment Advisers Act of 1940, as amended (the "Advisers Act" and together with the 1934 Act, the "Acts), and under applicable state laws in the United States. Accordingly, in the absence of specific exemption under the Acts, any brokerage and investment services provided by MOFSL, including the products and services described herein are not available to or intended for U.S. persons. This report is intended for distribution only to "Major Institutional Investors" as defined by Rule 15a-6(b)(4) of the Exchange Act and interpretations thereof by SEC (henceforth referred to as "major institutional investors"). This document must not be acted on or relied on by persons who are not major institutional investors. Any investment or investment activity to which this document relates is only available to major institutional investors and will be engaged in only with major institutional investors. In reliance on the exemption from registration provided by Rule 15a-6 of the U.S. Securities Exchange Act of 1934, as amended (the "Exchange Act") and interpretations thereof by the U.S. Securities and Exchange Commission ("SEC") in order to conduct business with Institutional Investors based in the U.S., MOFSL has entered into a chaperoning agreement with a U.S. registered broker-dealer, Motilal Oswal Securities International Private Limited. ("MOSIPL"). Any business interaction pursuant to this report will have to be executed within the provisions of this chaperoning agreement.

The Research Analysts contributing to the report may not be registered /qualified as research analyst with FINRA.
