CMP: INR390 TP: INR420 (+8%) Neutral

# Steady traction exhibited in DF/ROW

## Efforts underway to improve the US/EU growth outlook

- Glenmark Pharma (GNP) delivered better-than-expected 1QFY23 result fueled by better operating margin. While the domestic formulation (DF; ex-COVID basis) and ROW markets grew strongly, the US segment saw steep YoY decline.
- We tweak our EPS estimates by +6%/+3% for FY23/FY24, respectively, to factor in: a) robust performance in consumer care business, better outlook in ROW markets and improved operating leverage.
- We value GNP at 10x 12M forward earnings to arrive at our TP of INR420. We expect 12% earnings CAGR over FY22-24, led by 4% sales CAGR and 100bp margin expansion because of: a) better-than-industry growth in DF, b) portfolio expansion and c) capturing newer markets in the EU region. While the earnings outlook is gradually improving for FY22-24E v/s flat YoY earnings in FY22, we retain our Neutral rating on limited upside from current levels.

#### Superior product mix benefit offset by lower operating leverage YoY

- GNP's revenue declined 6.3% YoY to INR27.8b (our estimate of INR27.3b).
   The YoY decline was due to the India/US businesses.
- US revenue decreased 16% YoY to INR6.6b (USD86m; 24% of sales) and India formulations revenue declined 15.5% YoY to INR10.4b (37% of sales).
  - Europe generics revenue grew 8% YoY to INR3.3b (12% of sales), API sales were up 7% YoY to INR3.3b (12% of sales) and RoW (RoW+LatAm) sales grew 25.7% YoY to INR4.2b (15% of sales)
- Gross Margin (GM) expanded ~200bp YoY to 63.6% led by product mix.
- GNP made a provision for Covid-related inventory worth INR410m in 1QFY23.
- Adjusted for the same, EBITDA margin contracted ~230bp YoY to 17% (our estimate: 16%) largely due to higher Staff costs/R&D/other expenses (+280bp/+120bp/+40bp YoY as % of sales, respectively).
- Adjusted EBITDA declined 17.6% YoY to INR4.7b (our estimate: INR4.4b)
- GNP reported forex gain of INR1.6b for the quarter. Further, Deferred Tax expense included non-cash expense utilization of MAT credit of INR844m.
- Adjusted PAT declined 32% YoY to INR1.9b (our estimate: INR1.7b) owing to higher depreciation/tax rate.

#### Highlights from the management commentary

- Management expects 6-8% revenue growth in FY23. GNP's EBITDA margin is likely to sustain at 18%-19% for FY23.
- The company expects 15-16% YoY revenue growth in DF (ex-Covid basis).
- Ryaltris has the potential to reach USD100-150m annual sales in three years.
- Europe business likely to report 15-16% CAGR in the medium to long term.
  - Management expects the US business to be flat/ exhibit low single-digit growth on the base of FY22.

# Highlights from the management commentary

- GNP indicated that newer markets and new launches would drive the GCC business. However, the YoY growth achieved in 1QFY23 is not sustainable
- GNP's key launches include Sitagliptin, Sitagliptin+Dapagliflozin and Indamet so far focusing on the Diabetes and Respiratory therapies
- Remediation measures underway at Monroe and management expects the facility to be back to commercial production by 4QFY23
- The company highlighted that volumes in the US generics were hurt by global supply chain disruption and price erosion on base portfolio
- GNP expects to launch 10 ANDAs during FY23 (two already launched in 1QFY23)
- Clinical trials are ongoing for Flovent pMDI and the management expects to file it in CY23. For Flovent pMDI, GNP is the second filer with launch expected by early CY25 which has market size is USD1.6b

- GNP plans to file at least one more respiratory pMDI in the US in CY23 and continue filing momentum beyond FY24.
- GNP expects the Russia business to remain strong driven by the stable ruble and price increases taken.
- GNP is expected to have a capex of INR7-8b in FY23
- GNP expects to close 1-2 out-licensing agreements in innovation pipeline
- For GBR310, GNP is looking for out-licensing the product to potential partners
- GNP has Net Debt at INR23.9b as of June'22

#### Valuation and view

### DF - High base of COVID weighs down sales growth

- GNP's DF sales declined on a COVID led high base of last year. As per IQVIA, GNP's market share in Anti-Diabetic therapy grew to 1.81% v/s 1.78% YoY. GNP's Cardiac segment market share increased to 5.2% v/s 4.6% last year while derma segment market share increased from 8.21% to 8.16%.
- Glenmark Consumer Care (GCC) secondary sale grew 94% in 1QFY23 to INR647m driven largely by core brands such as Candid Powder, La Shield, and Scalpe. La Shield and Scalpe plus registered their highest quarterly primary sales while Candid Powder maintained its dominant market leadership status and showed sharp recovery in sales during the quarter.
- While new launches/market share gains are likely to drive growth in DF segment, we expect the same to be offset by high base of FY22 (due to higher sales related to COVID). Accordingly, we project DF sales to exhibit moderate 3% CAGR to INR43b over FY22-24.

#### NA – Price pressure/Supply chain disruption leads to drop in sales

- GNP's US sales were down considerably due to supply chain disruption and price erosion in base portfolio. The revenue decline was despite 12 launches done over last 15 months.
- GNP continues to implement efforts towards addressing issues highlighted in recent inspection at Baddi/Monroe. Having invested USD200m at Monroe, the regulatory compliance is critical for US sales prospects over next 2-3 years.
- On the products front, GNP is building respiratory portfolio over next 2-3 years.
- We anticipate flattish sales in US to INR35b over FY22-24 largely due to continued high price erosion along with ongoing regulatory issues.

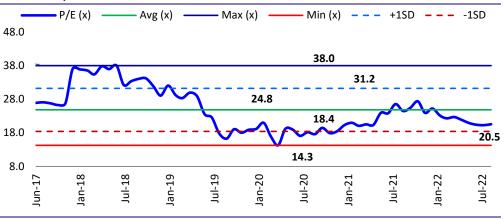

#### EU – new launches/expanding markets to drive growth

- GNP had steady business in Western, Central & Eastern Europe during the quarter. Growth in Western Europe remained robust, led by double digit growth in key markets like the Netherlands, Spain and the Nordic countries. Amongst the key launches, the company launched 2 products in the Czech Republic and one product each in the UK, the Netherlands, Germany and Spain respectively during the quarter.
- GNP has a comprehensive plan to grow its European business by geographical expansion and launches in key therapeutic segments (respiratory/dermatology. Considering those factors, we expect 13% sales CAGR to INR19.3b over FY22-24.

#### Earnings on gradual growth path; valuation provides limited upside

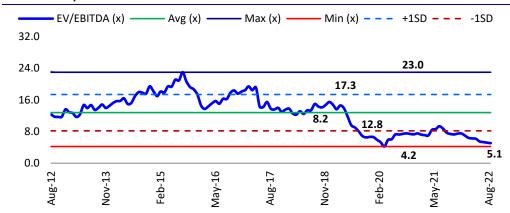

- We tweak our EPS estimate by +6%/+3% for FY23/FY24 to factor a) robust performance in consumer care business, better outlook in ROW markets and improved operating leverage.
- We value GNP at 10x 12M forward earnings to arrive at price target of INR420. We expect 12% earnings CAGR over FY22-24, led by 4% sales CAGR and 100bp margin expansion on account of better-than-industry growth in DF and expansion of portfolio as well as newer markets in EU region. While the earnings outlook is gradually becoming better for FY22-24 compared to flat YoY earnings for FY22, we maintain Neutral stance on limited upside from current levels.

#### Terms & Conditions:

This report has been prepared by MOFSL and is meant for sole use by the recipient and not for circulation. The report and information contained herein is strictly confidential and may not be altered in any way, transmitted to, copied or distributed, in part or in whole, to any other person or to the media or reproduced in any form, without prior written consent of MOFSL. The report is based on the facts, figures and information that are considered true, correct, reliable and accurate. The intent of this report is not recommendatory in nature. The information is obtained from publicly available media or other sources believed to be reliable. Such information has not been independently verified and no guaranty, representation of warranty, express or implied, is made as to its accuracy, completeness or correctness. All such information and opinions are subject to change without notice. The report is prepared solely for informational purpose and does not constitute an offer document or solicitation of offer to buy or sell or subscribe for securities or other financial instruments for the clients. Though disseminated to all the customers simultaneously, not all customers may receive this report at the same time. MOFSL will not treat recipients as customers by virtue of their receiving this report.

#### Disclaimer:

The report and information contained herein is strictly confidential and meant solely for the selected recipient and may not be altered in any way, transmitted to, copied or distributed, in part or in whole, to any other person or to the media or reproduced in any form, without prior written consent. This report and information herein is solely for informational purpose and may not be used or considered as an offer document or solicitation of offer to buy or sell or subscribe for securities or other financial instruments. Nothing in this report constitutes investment, legal, accounting and tax advice or a representation that any investment or strategy is suitable or appropriate to your specific circumstances. The securities discussed and opinions expressed in this report may not be suitable for all investors, who must make their own investment decisions, based on their own investment objectives, financial positions and needs of specific recipient. This may not be taken in substitution for the exercise of independent judgment by any recipient. Each recipient of this document should make such investigations as it deems necessary to arrive at an independent evaluation of an investment in the securities of companies referred to in this document (including the merits and risks involved), and should consult its own advisors to determine the merits and risks of such an investment. The investment discussed or views expressed may not be suitable for all investors. Certain transactions -including those involving futures, options, another derivative products as well as non-investment grade securities - involve substantial risk and are not suitable for all investors. No representation or warranty, express or implied, is made as to the accuracy, completeness or fairness of the information and opinions contained in this document. The Disclosures of Interest Statement incorporated in this document is provided solely to enhance the transparency and should not be treated as endorsement of the views expressed in the report. This information is subject to change without any prior notice. The Company reserves the right to make modifications and alternations to this statement as may be required from time to time without any prior approval. MOFSL, its associates, their directors and the employees may from time to time, effect or have effected an own account transaction in, or deal as principal or agent in or for the securities mentioned in this document. They may perform or seek to perform investment banking or other services for, or solicit investment banking or other business from, any company referred to in this report. Each of these entities functions as a separate, distinct and independent of each other. The recipient should take this into account before interpreting the document. This report has been prepared on the basis of information that is already available in publicly accessible media or developed through analysis of MOFSL. The views expressed are those of the analyst, and the Company may or may not subscribe to all the views expressed therein. This document is being supplied to you solely for your information and may not be reproduced, redistributed or passed on, directly or indirectly, to any other person or published, copied, in whole or in part, for any purpose. This report is not directed or intended for distribution to, or use by, any person or entity who is a citizen or resident of or located in any locality, state, country or other jurisdiction, where such distribution, publication, availability or use would be contrary to law, regulation or which would subject MOFSL to any registration or licensing requirement within such jurisdiction. The securities described herein may or may not be eligible for sale in all jurisdictions or to certain category of investors. Persons in whose possession this document may come are required to inform themselves of and to observe such restriction. Neither the Firm, not its directors, employees, agents or representatives shall be liable for any damages whether direct or indirect, incidental, special or consequential including lost revenue or lost profits that may arise from or in connection with the use of the information. The person accessing this information specifically agrees to exempt MOFSL or any of its affiliates or employees from, any and all responsibility/liability arising from such misuse and agrees not to hold MOFSL or any of its affiliates or employees responsible for any such misuse and further agrees to hold MOFSL or any of its affiliates or employees free and harmless from all losses, costs, damages, expenses that may be suffered by the person accessing this information due to any errors and delays.
