Neutral

Lower provisioning aids earnings

- Indus reported flat revenue and an adjusted EBITDA in-line with expectations, but PAT has been marginally impacted due to INR434m provisioning for VIL. This is much below INR53b provisioned in 9MFY23, as it has paid almost 90-100% of its billings. Weak FCF has reduced to INR13.4b for FY23 and the company has not declared any dividend.
- We expect Revenue/EBITDA CAGR of 1%/25% over FY23-25, with the risk of falling tenancies, despite the optimism around 5G-led tenancy additions. VIL's risk of survival and its weak return profile with single-digit ROCE has created uncertainty regarding the outlook for Indus Towers. Subsequently, we reiterate our Neutral rating on the stock.

Flat revenue and adj EBITDA QoQ (in line)

- Revenue were flat QoQ to INR68b (in line) in 4QFY23. Rental revenue grew 2% QoQ to INR43b, while revenue from the Energy segment declined 3% QoQ to INR25b.
- EBITDA grew 3x QoQ due to lower provisioning and savings in Power and Fuel cost. After adjusting for VIL provisions, **EBITDA were flat QoQ to INR35b (in line) with 30bp margin improvement to 51.5%**.
- From the elevated VIL provision amount of INR12.3b/ 17.7b/ 23b in 1Q/2Q/3QFY23, the provision has reduced to INR434m in 4QFY23. Cumulative provision booking for FY23 stood at INR54.5b.
- Adjusted PAT (after adjusting for VIL provisions) were INR 14.4b (in line). This is the first time, the company has not declared a dividend. In FY21/22, it had declared INR20/11 per share.**
- Account receivable reduced by INR21.9b to INR48.7b due to the provisions made for VIL of INR 54.5b for FY23.
- CFO has reduced by 13% YoY to INR 79b in FY23 due to higher receivables and tax payment. This, along with 10% increase in capex (INR32b) led to 52% reduction in FCF, post interest and lease payments. Gross/Net Debt (excluding lease) decreased INR11.3b/INR7b QoQ to INR47.1b/INR44.1b. For FY23, net debt increased by INR15.6b.

Highlights from the management commentary

- The rapid implementation and growth of 5G by the operators and expansion in rural areas should keep the need for passive telecom infrastructure high.
- Indus can generate high single-digit to lower double-digit ROCE for even single tenancy. As the loading increase, the return profile increases.
- 4QFY23 saw an improvement in VIL collection (collected 90–100% of the monthly billings). The earlier payment plan between Indus and VIL is still in effect.
- The company has not declared any dividend in FY23, owing to weak collection from VIL, leading to a decrease in FCF.

Valuation and view

- Rollout of 5G services may drive network densification by telcos. Healthy growth in new and leaner small cells, with sharing alternatives, offers a good opportunity in the Telecom-passive infrastructure industry.
- But VIL's inability to raise capital poses the risk of survival, which in turn mars the visibility of Indus Tower, as single-tenancy operations make a limited business case for a tower sharing company. This could pose risk on the company financials by limiting the deleveraging, FCF generation, and dividend payment.
- We factor in a revenue/EBITDA CAGR of 1%/25% over FY23-25 to arrive at our TP of INR160, implying an EV/tenancy ratio of INR1.7m and an EV/EBITDA ratio of 4.1x. The absence of dividend in FY23 v/s 5% in FY22 and declining FCF yield to 3.5% dilute the recurring annuity return investment thesis. We reiterate our Neutral rating on the stock.

Detailed update

- EBITDA grew 3x QoQ to INR34b, due to reduced booking of VIL provision to INR434m (v/s INR 23b in 3QFY23) and savings in Power and Fuel cost (% to sales) by 90bps.
- The company reported PAT of INR14b in 4QFY23 (5% miss) and **adjusted PAT (after adjusting VIL provision) stood at INR 14.4b (2% below our estimates).**
- Account receivables reduced INR21.9b to INR48.7b. Subsequently, debtor days reduced from 93 days in FY22 to 63 days in FY23. This could be due to the provisions made for VIL of INR 53.3b for FY23.
- CFO reduced by 13% YoY to INR 79b in FY23 due to a) amount blocked in working capital and b) higher tax payment. The cash capex increased 10% YoY to INR32b, leading to 52% reduction in FCF post interest and lease liabilities payment of INR13b. Payment of dividend lead to negative cash generation for FY23. This lead to **reduction in FCF yield to ~3.5% in FY23 from ~5% in FY22.**
- Gross/Net Debt (excluding lease) decreased by INR11.3b/INR7b QoQ to INR47.1b/INR44.1b. For FY23, net debt increased by INR15.6b.

Key operating metrics

- The addition of towers, including the leaner towers, has reached an all-time high with 3,482 new towers added QoQ, taking the total count to 192,874 towers.
- The number of colocation added was 3,396 QOQ, taking the total count to 342,831 co-locations across 22 telecommunications circles in India. Excluding leaner towers, colocations net adds were 1,235 in 4QFY23.
- Exits during the quarter were 512.
- Leaner towers additions were also strong at 1,241. Revenue from leaner towers is not significantly high at this moment.
- Average sharing factor (Tenancy) has marginally reduced to 1.78x from 1.79x

**Highlights from the management commentary****Key takeaways**

- The rapid implementation and growth of 5G by the operators and expansion in rural areas should keep the need for passive telecom infrastructure high.
- Indus can generate high single-digit to lower double-digit ROCE for even single tenancy. As the loading increase, the return profile increases.
- 4QFY23 saw an improvement in VIL collection (collected 90–100% of the monthly billings). The earlier payment plan between Indus and VIL is still in effect.
- The company has not declared any dividend in FY23, owing to weak collection from VIL, leading to decrease in FCF.

Detailed notes:**5G opportunity-**

- They expect that an increase in telecom carriers' rural expansion and the introduction of 5G will drive the demand for passive infrastructure.
- The deployment of 5G infrastructure and rollout of 5G services have been progressing rapidly.
- More than 140,000 5G Base Transceiver Stations (BTS) have been deployed across the country, with the average weekly run rate increasing to ~7,000 in Mar'23 from ~5,000 BTS in Dec'22.
- In order to deploy 5G assets, the company will continue to make the necessary investments, and loading has already begun. Due to the increased capacity, 5G will need more sites.
- Due to 5G loading, the revenue is expected to grow by 5% YoY.

- As per Ericsson Mobility report, the pace of global 5G subscription accelerated after the addition of 136m subscribers in Dec'22 compared to 110m subscribers in Sep'22. This number is expected to reach 5b by 2028.
- The number of commercial 5G service providers also increased to 235 in Dec'22 from 228 in Sep'22.
- The adoption of 5G services is much faster than 4G as 5G has reached 1b subscriptions two years sooner than 4G.
- With respect to India, 5G subscriptions are expected to reach 500m by 2027 with a penetration of about 40% as per the report.
- Nokia reports are projecting the data usage per subscriber to reach 46GB per user by 2027.

Capex and FCF

- Over the period of time there has been improvement in capex per tower. Capex per tower has reduced over the last 10 years.
- For single tenancy as well, they generate high single digit to lower double digit ROI. As the loading increase, the return profile increases.
- The company's FCF (reduced to INR14b) has been adversely impacted by the VIL collection delay. The absence of dividend has been a result of lower FCF.
- The development in receivables and the improvement in the WC could result in dividend payments down the road. They will anticipate the dividend payout in upcoming quarters.

VIL

- The collection from VIL has improved in this quarter (90-100% collections in this quarter).
- The revenue amounting to INR 663m and INR 770m for 3QFY23 and 4QFY23, on account of straight lining of lease rentals is not recognized in the revenue from operations, due to uncertainty of collection.
- The Government conversion of VIL debt to equity is a positive step as it leads to reduction in debt.
- The company is working on the earlier payment plan, where VIL is required to pay the dues between Jan'23 and Jul'23.

ESG

- Diesel consumption decrease 6% YoY, despite the addition in site.
- The company is working on building the solar sites and moving toward green technology to reduce the cost.
- Due to increased ESG disclosure, the company's score in the MSCI and S&P Global Sustainability Index has improved.
- Expect energy margin to improve in FY24.

The following Disclosures are being made in compliance with the SEBI Research Analyst Regulations 2014 (herein after referred to as the Regulations). Motilal Oswal Financial Services Ltd. (MOFSL) is a SEBI Registered Research Analyst having registration no. INH000000412. MOFSL, the Research Entity (RE) as defined in the Regulations, is engaged in the business of providing Stock broking services, Depository participant services & distribution of various financial products. MOFSL is a listed public company, the details in respect of which are available on www.motilaloswal.com. MOFSL (erstwhile Motilal Oswal Securities Limited - MOSL) is registered with the Securities & Exchange Board of India (SEBI) and is a registered Trading Member with National Stock Exchange of India Ltd. (NSE) and Bombay Stock Exchange Limited (BSE), Multi Commodity Exchange of India Limited (MCX) and National Commodity & Derivatives Exchange Limited (NCDEX) for its stock broking activities & is Depository participant with Central Depository Services Limited (CDSL) National Securities Depository Limited (NSDL), NERL, COMRIS and CCRL and is member of Association of Mutual Funds of India (AMFI) for distribution of financial products and Insurance Regulatory & Development Authority of India (IRDA) as Corporate Agent for insurance products. Details of associate entities of Motilal Oswal Financial Services Limited are available on the website at

<http://online.reports.motilaloswal.com/Dormant/documents/List%20of%20Associate%20companies.pdf>

MOFSL and its associate company(ies), their directors and Research Analyst and their relatives may; (a) from time to time, have a long or short position in, act as principal in, and buy or sell the securities or derivatives thereof of companies mentioned herein. (b) be engaged in any other transaction involving such securities and earn brokerage or other compensation or act as a market maker in the financial instruments of the company(ies) discussed herein or act as an advisor or lender/borrower to such company(ies) or may have any other potential conflict of interests with respect to any recommendation and other related information and opinions.; however the same shall have no bearing whatsoever on the specific recommendations made by the analyst(s), as the recommendations made by the analyst(s) are completely independent of the views of the associates of MOFSL even though there might exist an inherent conflict of interest in some of the stocks mentioned in the research report.

MOFSL and / or its affiliates do and seek to do business including investment banking with companies covered in its research reports. As a result, the recipients of this report should be aware that MOFSL may have a potential conflict of interest that may affect the objectivity of this report. Compensation of Research Analysts is not based on any specific merchant banking, investment banking or brokerage service transactions. Details of pending Enquiry Proceedings of Motilal Oswal Financial Services Limited are available on the website at <https://galaxy.motilaloswal.com/ResearchAnalyst/PublishViewLitigation.aspx>

A graph of daily closing prices of securities is available at www.nseindia.com, www.bseindia.com. Research Analyst views on Subject Company may vary based on Fundamental research and Technical Research. Proprietary trading desk of MOFSL or its associates maintains arm's length distance with Research Team as all the activities are segregated from MOFSL research activity and therefore it can have an independent view with regards to Subject Company for which Research Team have expressed their views.

Regional Disclosures (outside India)

This report is not directed or intended for distribution to or use by any person or entity resident in a state, country or any jurisdiction, where such distribution, publication, availability or use would be contrary to law, regulation or which would subject MOFSL & its group companies to registration or licensing requirements within such jurisdictions.

For Hong Kong:

This report is distributed in Hong Kong by Motilal Oswal capital Markets (Hong Kong) Private Limited, a licensed corporation (CE AYY-301) licensed and regulated by the Hong Kong Securities and Futures Commission (SFC) pursuant to the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong) "SFO". As per SEBI (Research Analyst Regulations) 2014 Motilal Oswal Securities (SEBI Reg. No. INH000000412) has an agreement with Motilal Oswal capital Markets (Hong Kong) Private Limited for distribution of research report in Hong Kong. This report is intended for distribution only to "Professional Investors" as defined in Part I of Schedule 1 to SFO. Any investment or investment activity to which this document relates is only available to professional investor and will be engaged only with professional investors." Nothing here is an offer or solicitation of these securities, products and services in any jurisdiction where their offer or sale is not qualified or exempt from registration. The Indian Analyst(s) who compile this report is/are not located in Hong Kong & are not conducting Research Analysis in Hong Kong.

For U.S.

Motilal Oswal Financial Services Limited (MOFSL) is not a registered broker - dealer under the U.S. Securities Exchange Act of 1934, as amended (the "1934 act") and under applicable state laws in the United States. In addition MOFSL is not a registered investment adviser under the U.S. Investment Advisers Act of 1940, as amended (the "Advisers Act") and together with the 1934 Act, the "Acts), and under applicable state laws in the United States. Accordingly, in the absence of specific exemption under the Acts, any brokerage and investment services provided by MOFSL, including the products and services described herein are not available to or intended for U.S. persons. This report is intended for distribution only to "Major Institutional Investors" as defined by Rule 15a-6(b)(4) of the Exchange Act and interpretations thereof by SEC (henceforth referred to as "major institutional investors"). This document must not be acted on or relied on by persons who are not major institutional investors. Any investment or investment activity to which this document relates is only available to major institutional investors and will be engaged in only with major institutional investors. In reliance on the exemption from registration provided by Rule 15a-6 of the U.S. Securities Exchange Act of 1934, as amended (the "Exchange Act") and interpretations thereof by the U.S. Securities and Exchange Commission ("SEC") in order to conduct business with Institutional Investors based in the U.S., MOFSL has entered into a chaperoning agreement with a U.S. registered broker-dealer, Motilal Oswal Securities International Private Limited. ("MOSIPL"). Any business interaction pursuant to this report will have to be executed within the provisions of this chaperoning agreement.

The Research Analysts contributing to the report may not be registered /qualified as research analyst with FINRA. Such research analyst may not be associated persons of the U.S. registered broker-dealer, MOSIPL, and therefore, may not be subject to NASD rule 2711 and NYSE Rule 472 restrictions on communication with a subject company, public appearances and trading securities held by a research analyst account.

For Singapore

In Singapore, this report is being distributed by Motilal Oswal Capital Markets Singapore Pte Ltd ("MOCMSPL") (Co. Reg. NO. 201129401Z) which is a holder of a capital markets services license and an exempt financial adviser in Singapore. As per the approved agreement under Paragraph 9 of Third Schedule of Securities and Futures Act (CAP 289) and Paragraph 11 of First Schedule of Financial Advisors Act (CAP 110) provided to MOCMSPL by Monetary Authority of Singapore. Persons in Singapore should contact MOCMSPL in respect of any matter arising from, or in connection with this report/publication/communication. This report is distributed solely to persons who qualify as "Institutional Investors", of which some of whom may consist of "accredited" institutional investors as defined in section 4A(1) of the Securities and Futures Act, Chapter 289 of Singapore ("the SFA"). Accordingly, if a Singapore person is not or ceases to be such an institutional investor, such Singapore Person must immediately discontinue any use of this Report and inform MOCMSPL.

Terms & Conditions:

This report has been prepared by MOFSL and is meant for sole use by the recipient and not for circulation. The report and information contained herein is strictly confidential and may not be altered in any way, transmitted to, copied or distributed, in part or in whole, to any other person or to the media or reproduced in any form, without prior written consent of MOFSL. The report is based on the facts, figures and information that are considered true, correct, reliable and accurate. The intent of this report is not recommendatory in nature. The information is obtained from publicly available media or other sources believed to be reliable. Such information has not been independently verified and no guaranty, representation of warranty, express or implied, is made as to its accuracy, completeness or correctness. All such information and opinions are subject to change without notice. The report is prepared solely for informational purpose and does not constitute an offer document or solicitation of offer to buy or sell or subscribe for securities or other financial instruments for the clients. Though disseminated to all the customers simultaneously, not all customers may receive this report at the same time. MOFSL will not treat recipients as customers by virtue of their receiving this report.

Disclaimer:

The report and information contained herein is strictly confidential and meant solely for the selected recipient and may not be altered in any way, transmitted to, copied or distributed, in part or in whole, to any other person or to the media or reproduced in any form, without prior written consent. This report and information herein is solely for informational purpose and may not be used or considered as an offer document or solicitation of offer to buy or sell or subscribe for securities or other financial instruments. Nothing in this report constitutes investment, legal, accounting and tax advice or a representation that any investment or strategy is suitable or appropriate to your specific circumstances. The securities discussed and opinions expressed in this report may not be suitable for all investors, who must make their own investment decisions, based on their own investment objectives, financial positions and needs of specific recipient. This may not be taken in substitution for the exercise of independent judgment by any recipient. Each recipient of this document should make such investigations as it deems necessary to arrive at an independent evaluation of an investment in the securities of companies referred to in this document (including the merits and risks involved), and should consult its own advisors to determine the merits and risks of such an investment. The investment discussed or views expressed may not be suitable for all investors. Certain transactions -including those involving futures, options, another derivative products as well as non-investment grade securities -involve substantial risk and are not suitable for all investors. No representation or warranty, express or implied, is made as to the accuracy, completeness or fairness of the information and opinions contained in this document. The Disclosures of Interest Statement incorporated in this document is provided solely to enhance the transparency and should not be treated as endorsement of the views expressed in the report. This information is subject to change without any prior notice. The Company reserves the right to make modifications and alternations to this statement as may be required from time to time without any prior approval. MOFSL, its associates, their directors and the employees may from time to time, effect or have effected an own account transaction in, or deal as principal or agent in or for the securities mentioned in this document. They may perform or seek to perform investment banking or other services for, or solicit investment banking or other business from, any company referred to in this report. Each of these entities functions as a separate, distinct and independent of each other. The recipient should take this into account before interpreting the document. This report has been prepared on the basis of information that is already available in publicly accessible media or developed through analysis of MOFSL. The views expressed are those of the analyst, and the Company may or may not subscribe to all the views expressed therein. This document is being supplied to you solely for your information and may not be reproduced, redistributed or passed on, directly or indirectly, to any other person or published, copied, in whole or in part, for any purpose. This report is not directed or intended for distribution to, or use by, any person or entity who is a citizen or resident of or located in any locality, state, country or other jurisdiction, where such distribution, publication, availability or use would be contrary to law, regulation or which would subject MOFSL to any registration or licensing requirement within such jurisdiction. The securities described herein may or may not be eligible for sale in all jurisdictions or to certain category of investors. Persons in whose possession this document may come are required to inform themselves of and to observe such restriction. Neither the Firm, not its directors, employees, agents or representatives shall be liable for any damages whether direct or indirect, incidental, special or consequential including lost revenue or lost profits that may arise from or in connection with the use of the information. The person accessing this information specifically agrees to exempt MOFSL or any of its affiliates or employees from, any and all responsibility/liability arising from such misuse and agrees not to hold MOFSL or any of its affiliates or employees responsible for any such misuse and further agrees to hold MOFSL or any of its affiliates or employees free and harmless from all losses, costs, damages, expenses that may be suffered by the person accessing this information due to any errors and delays.
