# HOLD Kotak Mahindra Bank

ASIAMONEY BROKERS POLL - 2023 Emkay Research VOTE HERE

# Earnings beat, but margins retreat

BFSI - Banks > Result Update > July 23, 2023

Despite the sharp fall in NIM (by 18bps QoQ), Kotak Mahindra Bank (KMB) reported a beat on earnings, with PAT at Rs34.5bn (Emkay: Rs32bn) mainly due to higher 'other income' including treasury gains/dividend income. We believe the sharper NIM contraction was due to moderate retail growth, lower LDR and higher CoF. Bank partly attributes the strong deposit growth (22% YoY/6% QoQ) to its ActiveMoney deposit product (contributing 7-8% of deposits, with average cost of 5-5.25%). Going forward, Bank expects NIM to clock above 5% amid the rising CoF, coupled with healthy fees, thus supporting coreprofitability.

We raise earnings by 2-4% for FY24-26E, building-in higher other income, but expect KMB's RoA/RoE to normalize to 2.1%/13% from the high of 2.4%/14% in FY23 due to margin/LLP normalization. We lower our P/ABV to 2.7x its Jun-25E ABV for the core bank, factoring for the ensuing Top-Management change; retain HOLD, with TP at Rs2,000/sh (incl subs value at Rs500/sh).

# Moderate retail growth, higher deposit growth and CoF lead to sharp margin fall QoQ

Credit growth further moderated to 17% YoY/3% QoQ, mainly due to slow down in Retail growth, in turn caused by mortgages and vehicle loans. Corporate growth bounced back after a weak 4Q. On the other hand, deposit growth accelerated to 22% YoY/6% QoQ, leading to lower LDR at 85%, while CASA ratio slipped to 49% leading to 30bps QoQ increase in CoF, per our calculation. Bank partly attributes the strong deposit growth (22% YoY/6% QoQ) to its ActivMoney deposit product (contributing 7-8% of deposits, with avg cost of 5-5.25%), though partly cannibalizing SA deposits. Thus, we believe combination of the slower retail growth, lower LDR and higher COF led to a sharp 18bps contraction in NIM to 5.6%. Going forward, KMB expects NIM of >5%, despite the increased CoF which should support core profitability.

# Seasonally-higher slippages lead to near-flat NPA; Bank continues to run-down the contingent buffer

Slippages were higher than expected at Rs12bn.2bn/1.7% of loans, which could be more seasonal in nature leading to nearly-flat GNPA ratio at 1.77%. The restructured pool declined to Rs6.1bn/0.2% of loans, which is the lowest among large peers. The specific PCR during 1Q slipped a bit to 78%, while Bank continues to utilize the contingent provision buffers (Rs0.5bn in 1Q), which now stands at Rs 3.4bn/0.1% of loans from Rs3.9bn/0.12% of loans in Q4 — one of the lowest among large banks.

### We retain HOLD

We revise our earnings estimates upwards by 2-4% for FY24E-26E, factoring-in higher other income, but expect KMB's RoA/RoE to normalize to 2.1%/13% from the high of 2.4%/14% in FY23 due to margins/LLP normalization. We lower our P/ABV to 2.7x the Jun-25E ABV, accounting for the ensuing Top-Management change; we retain HOLD with TP at Rs2,000/share (incl. subs. value at Rs500/share). **Key risks:** KMP attrition and asset-quality risk in the unseasoned, unsecured loan book.

#### **TARGET PRICE (Rs): 2,000**

EGFSL is a corporate trading member of BSE Limited (BSE), National Stock Exchange of India Limited (NSE), MCX Stock Exchange Limited (MCX-SX), Multi Commodity Exchange of India Ltd (MCX) and National Commodity & Derivatives Exchange Limited (NCDEX) (hereinafter referred to be as "Stock Exchange(s)"). EGFSL along with its [affiliates] offers the most comprehensive avenues for investments and is engaged in the businesses including stock broking (Institutional and retail), merchant banking, commodity broking, depository participant, portfolio management and services rendered in connection with distribution of primary market issues and financial products like mutual funds, fixed deposits, Details of associates are available on our website i.e. www.emkavglobal.com.

EGFSL is registered as Research Analyst with the Securities and Exchange Board of India ("SEBI") bearing registration Number INH000000354 as per SEBI Research Analysts) Regulations, 2014. EGFSL hereby declares that it has not defaulted with any Stock Exchange nor its activities were suspended by any Stock Exchange with whom it is registered in last five years. However, SEBI and Stock Exchanges had conducted their routine inspection and based on their observations have issued advice letters or levied minor penalty on EGFSL for certain operational deviations in ordinary/routine course of business. EGFSL has not been debarred from doing business by any Stock Exchange / SEBI or any other authorities; nor has its certificate of registration been cancelled by SEBI at any point of time.

EGFSL offers research services to its existing clients as well as prospects. The analyst for this report certifies that all of the views expressed in this report accurately reflect his or her personal views about the subject company or companies and its or their securities, and no part of his or her compensation was, is or will be, directly or indirectly related to specific recommendations or views expressed in this report.

This report is based on information obtained from public sources and sources believed to be reliable, but no independent verification has been made nor is its accuracy or completeness guaranteed. This report and information herein is solely for informational purpose and shall not be used or considered as an offer document or solicitation of offer to buy or sell or subscribe for securities or other financial instruments. Though disseminated to all the clients simultaneously, not all clients may receive this report at the same time. The securities discussed and opinions expressed in this report may not be suitable for all investors, who must make their own investment decisions, based on their own investment objectives, financial positions and needs of specific recipient.

EGFSL and/or its affiliates may seek investment banking or other business from the company or companies that are the subject of this material. EGFSL may have issued or may issue other reports (on technical or fundamental analysis basis) of the same subject company that are inconsistent with and reach different conclusion from the information, recommendations or information presented in this report or are contrary to those contained in this report. Users of this report may visit www.emkavglobal.com to view all Research Reports of EGFSL. The views and opinions expressed in this document may or may not match or may be contrary with the views, estimates, rating, and target price of the research published by any other analyst or by associate entities of EGFSL; our proprietary trading, investment businesses or other associate entities may make investment decisions that are inconsistent with the recommendations expressed herein. In reviewing these materials, you should be aware that any or all of the foregoing, among other things, may give rise to real or potential conflicts of interest including but not limited to those stated herein. Additionally, other important information regarding our relationships with the company or companies that are the subject of this material is provided herein. All material presented in this report, unless specifically indicated otherwise, is under copyright to Emkay. None of the material, nor its content, nor any copy of it, may be altered in any way, transmitted to, copied or distributed to any other party, without the prior express written permission of EGFSL. All trademarks, service marks and logos used in this report are trademarks or registered trademarks of EGFSL or its affiliates. The information contained herein is not intended for publication or distribution or circulation in any manner whatsoever and any unauthorized reading, dissemination, distribution or copying of this communication is prohibited unless otherwise expressly authorized. Please ensure that you have read "Risk Disclosure Document for Capital Market and Derivatives Segments" as prescribed by Securities and Exchange Board of India before investing in Indian Securities Market. In so far as this report includes current or historic information, it is believed to be reliable, although its accuracy and completeness cannot be guaranteed.

This report has not been reviewed or authorized by any regulatory authority. There is no planned schedule or frequency for updating research report relating to any issuer/subject company

Please contact the primary analyst for valuation methodologies and assumptions associated with the covered companies or price targets.

Disclaimer for U.S. persons only: Research report is a product of Emkay Global Financial Services Ltd., under Marco Polo Securities 15a6 chaperone service, which is the employer of the research analyst(s) who has prepared the research report. The research analyst(s) preparing the research report is/are resident outside the United States (U.S.) and are not associated persons of any U.S. regulated broker-dealer and therefore the analyst(s) is/are not subject to supervision by a U.S. broker-dealer, and is/are not required to satisfy the regulatory licensing requirements of Financial Institutions Regulatory Authority (FINRA) or required to otherwise comply with U.S. rules or regulations regarding, among other things, communications with a subject company, public appearances and trading securities held by a research analyst account.

This report is intended for distribution to "Major Institutional Investors" as defined by Rule 15a-6(b)(4) of the U.S. Securities and Exchange Act, 1934 (the Exchange Act) and interpretations thereof by U.S. Securities and Exchange Commission (SEC) in reliance on Rule 15a 6(a)(2). If the recipient of this report is not a Major Institutional Investor as specified above, then it should not act upon this report and return the same to the sender. Further, this report may not be copied, duplicated and/or transmitted onward to any U.S. person, which is not the Major Institutional Investor. In reliance on the exemption from registration provided by Rule 15a-6 of the Exchange Act and interpretations thereof by the SEC in order to conduct certain business with Major Institutional Investors. Emkay Global Financial Services Ltd. has entered into a chaperoning agreement with a U.S. registered broker-dealer, Marco Polo Securities Inc. ("Marco Polo"). Transactions in securities discussed in this research report should be effected through Marco Polo or another U.S. registered broker dealer.
