

Westlife Foodworld

CMP: INR883 TP: INR850 (-4%) Neutral

Lower SSSG weakens earnings

- WESTLIFE reported soft revenue growth of 7% YoY in 2QFY24, due to weak SSSG at 1% (est. 5%). Revenue growth was aided by store additions. EBITDA margin declined 80bp YoY, which, along with GM impact, resulted in a 29% YoY decline in PAT (35% miss).
- While the current market environment remains soft, the management anticipates high single-digit SSSG and the addition of 40-45 new restaurants in FY24. Easing commodity pressures and focus on growing average unit volume are key positive factors, which could be offset by an increase in royalty. We reiterate our **Neutral** rating on the stock.

Revenue/EBITDA up 7%/2% YoY

- WESTLIFE reported sales growth of 7% YoY to INR6.1b (5% miss), led by 1% SSSG (est. 5%) and 10% YoY store addition.
- It opened net 9 stores, taking the count to 370 stores in 59 cities (added 1 city). It added 13 stores in 1HFY24 vs. our estimate of 45 store adds in FY24.
- Both On-Premise and Off-Premise businesses grew by 7% YoY.
- GM contracted 50bp QoQ to 70.1% (40bp miss).
- EBITDA grew 2% YoY to INR980m (10% miss) due to a drop in GM and higher employee expenses owning to payroll hikes. Margin contracted 80bp YoY/100bp QoQ to 16%. Similarly, restaurant operating margins (ROM) declined 60bp YoY/90bp QoQ to 22.1%.
- Higher depreciation and interest costs led to a 29% YoY drop in PAT to INR224m (35% miss).

Key takeaways from the management commentary

- The company maintains its guidance for achieving INR40-45b revenue by FY27, driven by high single-digit SSSG and 580-630 total store count. On a steady-state basis, margin is expected to be in the range of 18-20%.
- There is still pressure on macro spending, which has decreased the frequency of eating out. However, the business gained market share in 2QFY24 and should see positive development in 3QFY24.
- FY24 capex remains unchanged at INR2-2.5b, which includes 40-45 store additions and 30-35 store renovations.
- The company has not taken any pricing action in the quarter; on the contrary, it is focusing on increasing the value product portfolio.

Valuation and view

As indicated in <u>our detailed note</u> in Dec'22 after the unveiling of WLDL's Vision 2027, building blocks are in place to capture the long-term opportunity in the QSR space. However, the current weak consumption trends remain soft.

Aliasgar Shakir - Research Analyst (Aliasgar.Shakir@motilaloswal.com)

■ We largely maintain our estimates, building in 16%/20% revenue/EBITDA CAGRS over FY23-25E, led by 45 store adds annually and 5-7% SSSG.

Our valuation at 30x pre-Ind AS FY25E EV/EBITDA leads to a TP of INR850. Easing commodity pressure and the company's focus on growing its average unit volume are the key positive factors. These factors could be partly offset by an increase in royalty. We reiterate our Neutral rating on the stock.

Key takeaways from the management commentary

Menu renovation

- McSpicy Fried Chicken continued to see strong momentum in south, led by brand campaigns with Jr. NTR.
- Shravan Special menu saw good traction in key markets in Jul-Aug'23.
- Premiumization and innovation in desserts and beverages portfolio continued with Mixology, Oreo Cones and KitKat range.

Current environment

- There was still pressure on macro spending, which decreased the frequency of eating out. However, the business gained market share in the 2QFY24 and should see positive development in 3QFY24.
- The company has not taken any pricing action in the quarter; on the contrary, it is focusing on increasing the value product portfolio.

Store addition

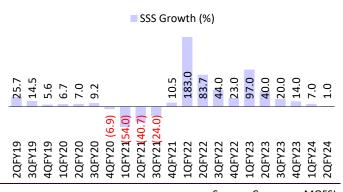

- FY24 capex remains unchanged at INR2-2.5b, which includes 40-45 store additions and 30-35 renovations.
- Expects 25-30% of total stores by FY27 contributing through drive-thru stores.

Performance

- The company delivered +3% SSSG in 1HFY24 and 11% YoY revenue growth vs.
- EBITDA grew 7% YoY in 1HFY24. Despite lower EBITDA margin on account of higher G&A costs, gross margins improved by 93bp YoY in 2Q. GM improvement was led by improved mix and cost-saving initiatives, whereas input costs remained mostly in line with the company's expectation.
- The company will stick to its strategy pillars of omnichannel, menu innovations, and network expansion.

Terms & Conditions:

This report has been prepared by MOFSL and is meant for sole use by the recipient and not for circulation. The report and information contained herein is strictly confidential and may not be altered in any way, transmitted to, copied or distributed, in part or in whole, to any other person or to the media or reproduced in any form, without prior written consent of MOFSL. The report is based on the facts, figures and information that are considered true, correct, reliable and accurate. The intent of this report is not recommendatory in nature. The information is obtained from publicly available media or other sources believed to be reliable. Such information has not been independently verified and no guaranty, representation of warranty, express or implied, is made as to its accuracy, completeness or correctness. All such information and opinions are subject to change without notice. The report is prepared solely for informational purpose and does not constitute an offer document or solicitation of offer to buy or sell or subscribe for securities or other financial instruments for the clients. Though disseminated to all the customers simultaneously, not all customers may receive this report at the same time. MOFSL will not treat recipients as customers by virtue of their receiving this report.

Disclaimer:

The report and information contained herein is strictly confidential and meant solely for the selected recipient and may not be altered in any way, transmitted to, copied or distributed, in part or in whole, to any other person or to the media or reproduced in any form, without prior written consent. This report and information herein is solely for informational purpose and may not be used or considered as an offer document or solicitation of offer to buy or sell or subscribe for securities or other financial instruments. Nothing in this report constitutes investment, legal, accounting and tax advice or a representation that any investment or strategy is suitable or appropriate to your specific circumstances. The securities discussed and opinions expressed in this report may not be suitable for all investors, who must make their own investment decisions, based on their own investment objectives, financial positions and needs of specific recipient. This may not be taken in substitution for the exercise of independent judgment by any recipient. Each recipient of this document should make such investigations as it deems necessary to arrive at an independent evaluation of an investment in the securities of companies referred to in this document (including the merits and risks involved), and should consult its own advisors to determine the merits and risks of such an investment. The investment discussed or views expressed may not be suitable for all investors. Certain transactions -including those involving futures, options, another derivative products as well as non-investment grade securities - involve substantial risk and are not suitable for all investors. No representation or warranty, express or implied, is made as to the accuracy, completeness or fairness of the information and opinions contained in this document. The Disclosures of Interest Statement incorporated in this document is provided solely to enhance the transparency and should not be treated as endorsement of the views expressed in the report. This information is subject to change without any prior notice. The Company reserves the right to make modifications and alternations to this statement as may be required from time to time without any prior approval. MOFSL, its associates, their directors and the employees may from time to time, effect or have effected an own account transaction in, or deal as principal or agent in or for the securities mentioned in this document. They may perform or seek to perform investment banking or other services for, or solicit investment banking or other business from, any company referred to in this report. Each of these entities functions as a separate, distinct and independent of each other. The recipient should take this into account before interpreting the document. This report has been prepared on the basis of information that is already available in publicly accessible media or developed through analysis of MOFSL. The views expressed are those of the analyst, and the Company may or may not subscribe to all the views expressed therein. This document is being supplied to you solely for your information and may not be reproduced, redistributed or passed on, directly or indirectly, to any other person or published, copied, in whole or in part, for any purpose. This report is not directed or intended for distribution to, or use by, any person or entity who is a citizen or resident of or located in any locality, state, country or other jurisdiction, where such distribution, publication, availability or use would be contrary to law, regulation or which would subject MOFSL to any registration or licensing requirement within such jurisdiction. The securities described herein may or may not be eligible for sale in all jurisdictions or to certain category of investors. Persons in whose possession this document may come are required to inform themselves of and to observe such restriction. Neither the Firm, not its directors, employees, agents or representatives shall be liable for any damages whether direct or indirect, incidental, special or consequential including lost revenue or lost profits that may arise from or in connection with the use of the information. The person accessing this information specifically agrees to exempt MOFSL or any of its affiliates or employees from, any and all responsibility/liability arising from such misuse and agrees not to hold MOFSL or any of its affiliates or employees responsible for any such misuse and further agrees to hold MOFSL or any of its affiliates or employees free and harmless from all losses, costs, damages, expenses that may be suffered by the person accessing this information due to any errors and delays.
