Expands global presence with purchase of NQXT port

- APSEZ has announced the acquisition of Abbot Point Port Holdings Pte. Ltd (APPH), Singapore, from Carmichael Rail and Port Singapore Holdings Pte. Ltd (CRPSHPL) through a non-cash share-swap transaction. CRPSHPL is a related party.
- APPH holds the entities that own and operate the North Queensland Export Terminal (NQXT), a dedicated export terminal with a current nameplate capacity of 50mtpa. The terminal is located at the Port of Abbot Point, ~25km north of Bowen, in North Queensland on Australia's east coast.
- The acquisition of APPH is being executed at an enterprise value of AUD3.97b (AUD3.15b equity value and AUD819m net debt). APSEZ will issue 143.8m new equity shares under the preferential allotment route to CRPSHPL, which will result in a net increase of 2.13% in promoter group holding. The acquisition implies an EV/EBITDA multiple of ~17x on FY25E EBITDA (10x based on FY29E EBITDA of AUD400m).
- This acquisition marks APSEZ's a strategic re-entry into NQXT, a critical asset previously held by APSEZ between 2011 and 2013. The asset was sold by APSEZ to Adani Group in 2013 as part of APSEZ's then-focus on domestic operations. With its India portfolio now stable and growing well, APSEZ is resuming international expansion, aiming to scale total cargo volumes to 1b MT by 2030 (including 150 MT of volumes from international ports). This would mean ~15% growth from overseas operations, including NQXT.
- The terminal's geographical proximity to both the Bowen and Galilee coal basins and major Asian trade routes enhances its strategic relevance for APSEZ's east-west corridor strategy. The acquisition bolsters APSEZ's international footprint, adding a high-performing, cash-generative asset with substantial scalability. It would help APSEZ achieve its target of 1b MT of cargo by 2030.
- **The acquisition would provide a boost to international cargo operations. The nameplate capacity is 50mtpa currently (40mtpa is contracted). After the acquisition, APSEZ targets a higher contracted capacity, contract renewals (improved pricing) and APSEZ group synergies, which would boost EBITDA. It expects EBITDA to reach AUD400m by FY29 (FY25E EBITDA at AUD228m).**
- **We have retained our estimates for now and would update our growth forecasts once the acquisition is completed. We expect APSEZ to report 10% growth in cargo volumes over FY24-27. This would drive a CAGR of 14%/16%/21% in revenue/EBITDA/PAT over FY24-27. We reiterate our BUY rating with a TP of INR1,560 (premised on 15x FY27 EV/EBITDA).**

About NQXT Port

- NQXT has been operational since 1984 and is held under a 99-year lease from the Queensland Government, offering 85 years of assured asset control.
- NQXT is a vital asset for the Australian resources sector, particularly coal exports. In FY25, 88% of its cargo volumes were shipped to Asian markets, with 12.4MMT going to China and 6.4MMT to India.
- With a nameplate capacity of 50MTPA, the terminal handled 35MMT of cargo in FY25 and has 40MMT of contracted capacity under long-term “take-or-pay” agreements.
- The terminal delivered AUD228m in EBITDA in FY25, and management expects this to rise to AUD400m by FY29, driven by both volume expansion and contract renewals.
- Notably, volume growth from 40MMT to 50MMT can be achieved without any material capex. A modest investment will also facilitate further expansion of up to 60MMT. APSEZ is also exploring long-term plans to enhance capacity to 120MMT.

Exhibit 1: NQXT journey

Exhibit 2: NQXT asset overview

- NQXT, is a natural deep-water, **multi-user export terminal** with a nameplate capacity of 50 MTPA
- NQXT is Australia's northernmost resources export terminal. It is located in the Port of Abbot Point, approximately 25 km north of Bowen, in North Queensland on Australia's east coast.
- NQXT is under a long-term lease from the Queensland Government and is a critical infrastructure asset supporting Australia's significant resource industry.
- The **lease expires in year 2110**. Long remaining lease life is 85 years.
- NQXT provides strategic access to users under long term "take or pay" contracts. For FY25, contracted capacity stood at 40 MMT.
- The terminal features **state-of-the-art equipment** and has delivered excellent **environmental and safety standards**
- NQXT has an identified pathway and capability to grow throughput up to 120 MTPA to meet the global demand for Queensland's high-quality resources including for potential green hydrogen exports

Exhibit 3: NQXT strategic access to key markets

Exhibit 4: NQXT performance over the years

	FY12	FY13	FY25E	Change (FY25E vs FY12)
Contracted Capacity	24.5 MMT	31.6MMT	39.7 MMT	▲ 62%
Cargo Handled	13.3 MMT	15.7 MMT	35.0 MMT	▲ 163%
EBITDA	A\$63 Mn	A\$124 Mn	A\$228 Mn	▲ 260%
Enterprise Value (A\$)	A\$1.829 Bn	A\$2.051 Bn	A\$3.975 Bn	
EV/ EBITDA Multiple	29x	~17x	~17x	
Enterprise Value (US\$ equivalent, based on prevailing exchange rate)	US\$1.96 Bn	US\$2.12 Bn	US\$2.50 Bn	
Event	 APSEZ acquires 99-year leasehold of the terminal from the Queensland Government	 APSEZ divests it's stake in NQXT to deleverage and focus on high growth opportunities in India	 APSEZ's proposed acquisition of NQXT in line with it's strategy of global expansion	

- NQXT plays a key role in Australia's coal export infrastructure. Its location near the Bowen and Galilee basins and proximity to key Asian markets align well with APSEZ's East-West trade strategy.
- The terminal reported AUD228m in EBITDA in FY25, which is expected to rise to AUD400m by FY29, supported by volume growth and contract repricing.
- Expansion from 40MMT to 50MMT requires no capex, while a minor investment can enable throughput of 60MMT. Plans are also underway to scale up the capacity to 120MMT over time.

The views expressed in this research report accurately reflect the personal views of the analyst(s) about the subject securities or issues, and no part of the compensation of the research analyst(s) was, is, or will be directly or indirectly related to the specific recommendations and views expressed by research analyst(s) in this report.

Terms & Conditions:

This report has been prepared by MOFSL and is meant for sole use by the recipient and not for circulation. The report and information contained herein is strictly confidential and may not be altered in any way, transmitted to, copied or distributed, in part or in whole, to any other person or to the media or reproduced in any form, without prior written consent of MOFSL. The report is based on the facts, figures and information that are considered true, correct, reliable and accurate. The intent of this report is not recommendatory in nature. The information is obtained from publicly available media or other sources believed to be reliable. Such information has not been independently verified and no guaranty, representation of warranty, express or implied, is made as to its accuracy, completeness or correctness. All such information and opinions are subject to change without notice. The report is prepared solely for informational purpose and does not constitute an offer document or solicitation of offer to buy or sell or subscribe for securities or other financial instruments for the clients. Though disseminated to all the customers simultaneously, not all customers may receive this report at the same time. MOFSL will not treat recipients as customers by virtue of their receiving this report.

Disclaimer:

The report and information contained herein is strictly confidential and meant solely for the selected recipient and may not be altered in any way, transmitted to, copied or distributed, in part or in whole, to any other person or to the media or reproduced in any form, without prior written consent. This report and information herein is solely for informational purpose and may not be used or considered as an offer document or solicitation of offer to buy or sell or subscribe for securities or other financial instruments. Nothing in this report constitutes investment, legal, accounting and tax advice or a representation that any investment or strategy is suitable or appropriate to your specific circumstances. The securities discussed and opinions expressed in this report may not be suitable for all investors, who must make their own investment decisions, based on their own investment objectives, financial positions and needs of specific recipient. This may not be taken in substitution for the exercise of independent judgment by any recipient. Each recipient of this document should make such investigations as it deems necessary to arrive at an independent evaluation of an investment in the securities of companies referred to in this document (including the merits and risks involved), and should consult its own advisors to determine the merits and risks of such an investment. The investment discussed or views expressed may not be suitable for all investors. Certain transactions -including those involving futures, options, another derivative products as well as non-investment grade securities - involve substantial risk and are not suitable for all investors. No representation or warranty, express or implied, is made as to the accuracy, completeness or fairness of the information and opinions contained in this document. The Disclosures of Interest Statement incorporated in this document is provided solely to enhance the transparency and should not be treated as endorsement of the views expressed in the report. This information is subject to change without any prior notice. The Company reserves the right to make modifications and alternations to this statement as may be required from time to time without any prior approval. MOFSL, its associates, their directors and the employees may from time to time, effect or have effected an own account transaction in, or deal as principal or agent in or for the securities mentioned in this document. They may perform or seek to perform investment banking or other services for, or solicit investment banking or other business from, any company referred to in this report. Each of these entities functions as a separate, distinct and independent of each other. The recipient should take this into account before interpreting the document. This report has been prepared on the basis of information that is already available in publicly accessible media or developed through analysis of MOFSL. The views expressed are those of the analyst, and the Company may or may not subscribe to all the views expressed therein. This document is being supplied to you solely for your information and may not be reproduced, redistributed or passed on, directly or indirectly, to any other person or published, copied, in whole or in part, for any purpose. This report is not directed or intended for distribution to, or use by, any person or entity who is a citizen or resident of or located in any locality, state, country or other jurisdiction, where such distribution, publication, availability or use would be contrary to law, regulation or which would subject MOFSL to any registration or licensing requirement within such jurisdiction. The securities described herein may or may not be eligible for sale in all jurisdictions or to certain category of investors. Persons in whose possession this document may come are required to inform themselves of and to observe such restriction. Neither the Firm, not its directors, employees, agents or representatives shall be liable for any damages whether direct or indirect, incidental, special or consequential including lost revenue or lost profits that may arise from or in connection with the use of the information. The person accessing this information specifically agrees to exempt MOFSL or any of its affiliates or employees from, any and all responsibility/liability arising from such misuse and agrees not to hold MOFSL or any of its affiliates or employees responsible for any such misuse and further agrees to hold MOFSL or any of its affiliates or employees free and harmless from all losses, costs, damages, expenses that may be suffered by the person accessing this information due to any errors and delays.
