Healthy volume growth with an improving industry outlook

Operating performance below our estimates

- Despite lower-than-expected performance, Supreme Industries (SI) saw an improvement in its quarterly result, with an EBITDA growth of ~7% in 3QFY26 (vs. a dip in the last five quarters). The improvement was mainly driven by high overall volume growth of 13% YoY. Margins were flat YoY due to volatile PVC pricing in 3Q, offset by a better product mix. Plastic pipe volume rose ~16% YoY, with volume growth guidance maintained at ~15-17% for FY26. **This implies a 20-24% YoY volume growth in 4Q.**
- However, management cut its full-year margin guidance to 13.5-14.0% from 14.5-15.0% due to continuous PVC price erosion until Dec'25. Normal margins of 14.5-15.0% are expected to return once price volatility stabilizes and volumes scale up (expected in 4Q).
- Factoring in lower 3Q numbers (hit by muted margins, higher finance costs, lower other income, and reduced share of profits from JV), we cut our FY26E earnings by 9% while broadly retaining our FY27/FY28 estimates. We **reiterate our BUY rating**, valuing the stock at 34x FY28E EPS to arrive at our TP of INR4,200 (on par with its last 10-year average P/E valuation).

Margins under pressure amid pricing volatility

- Consolidated revenue grew 7% YoY to INR26.7b (in line), led by growth in volume (up 13% YoY) to 183.8k MT, which was offset by a decline in realization (down 5% YoY to INR146/kg).
- Consolidated **adj. EBITDA** rose 7% YoY to INR3.3b (est. INR3.6b), with an EBITDA margin of 12.3% (est. 13%), which remained flat YoY. EBITDA/kg for the quarter was INR17.9/kg (-6% YoY). EBITDA was adjusted for a one-time provision related to the new labor law, amounting to ~INR154m.
- Adj. PAT declined 12% YoY to INR1.6b (est. INR2.2b).
- Plastic piping products reported a volume of ~147k MT (+16% YoY). Revenue stood at INR18b (+10% YoY), and EBIT was INR1.4b (-2% YoY), resulting in an EBIT margin of 7.4% (-90bp YoY). Realization came in at INR124/kg (-6% YoY), while EBIT per kg stood at INR9.2/kg (-16% YoY).
- For industrial products, revenue was INR3.4b (flat YoY), EBIT was INR270m (-1% YoY), and EBIT margin stood at 8% (-10bp YoY). For packaging products, revenue was INR3.9b (-2% YoY), EBIT was INR334m (-24% YoY), and EBIT margin stood at 8.6% (-250bp YoY). For consumer products, revenue came in at INR1.1b (+5% YoY), EBIT was INR172m (+1% YoY), and EBIT margin stood at 15.3% (-60bp YoY).
- For 9MFY26, volume/revenue grew 10%/4% YoY to 522k MT/INR76.9b, while EBITDA/Adj PAT declined 7%/20% YoY to INR9.5b/INR5.4b. For 9MFY26, the company faced an inventory loss of INR1.0-1.2b.

Key highlights from the management commentary

- **Valued Added products (VAP):** VAP revenue grew 16% YoY to INR11.2b in 3Q, which boosted margins. The CPVC segment witnessed strong volume growth of 30% in 9MFY26.

- **Plastic pipes:** Plastic piping business growth is coming back to normalcy as the continuous downward price trend scenario has been arrested, and restocking has been started by channel partners. Polymer prices have moved up in CY26 (currently at ~USD650 vs. a low of USD580), broadly aided by an improvement in demand in the market. China's export restrictions starting from Apr'26 are expected to further drive prices up.
- **Capex and expansion plans:** Plastic piping segment capacity to reach 1mMT by the end of FY26, with 70% utilization expected in FY27. SI is spending capex of INR12b in FY26, including the Wavin acquisition. It is also planning to set up two more greenfield plants for plastic piping in Bihar and Alampur (combined capacity of ~100kTPA). This will be operational by FY28.

Valuation and view

- Macro headwinds affecting the PVC industry are largely behind, evidenced by PVC prices increasing from CY26 onwards and demand recovery resulting in double-digit volume growth for SI over the last two quarters and strong 4Q guidance. Margins are expected to improve, led by the omission of inventory losses, stable to improving PVC price expectations, an improving mix of VAP, and higher growth in the high-margin CPVC segment.
- We expect SI to clock 12%/18%/18% CAGR in revenue/EBITDA/PAT over FY25-28. We value the stock at 34x FY28 EPS to arrive at a TP of INR4,200 (on par with its last 10-year average P/E valuation). **Reiterate BUY.**
- The one-year forward P/E valuations are at their 10-year historical average, and with an improving business performance and a healthy industry outlook over the next few quarters, we expect SI to provide a decent risk-reward.

Highlights from the management commentary

Guidance and outlook

- SI is anticipating high double-digit volume growth in 4QFY26 (Mar'26 strong due to harvesting), driven by good monsoon harvesting, favorable economic conditions encompassing housing, agriculture, and infrastructure.
- **Management has guided a total volume growth of 10-14% in FY26, with plastic piping system volumes expected to grow 15-17%**
- SI has targeted topline at INR110-115b for FY26.
- The company is targeting an EBITDA margin of ~15-16% in 4QFY26, driven largely by operating leverage and price improvements. In the coming years, SI is targeting ~13.5-14.0% EBITDA margin.

Plastic Pipes

- Plastic piping products reported a volume of 147k MT (+16% YoY), with revenue at INR18b (+10% YoY). CPVC volume growth ~30% in 9MFY26
- Plastic piping business growth is now coming back to normalcy as the continuous downward price trend scenario has been arrested. Restocking has started by the channels.
- Polymer pricing has started an upward trend in CY26 (At present ~USD650 v/s low of USD580), aided by demand improvement and also due to the closing of various plants in the market due to unviability. China's export restrictions starting from Apr'26 are expected to further drive prices up.
- The company maintains its volume growth target of 15-17% for the current year.
- SI is targeting 1MTPA capacity by FY26 with utilization rate ~70%
- PPE silent pipes has capacity of 3kTPA and OPVC capacity at 8kTPA (demand expected to pick up from 4Q)

Capex and expansion plans

- During 9MFY26, the company incurred a capex outflow of INR10b, which includes the Wavin acquisition. The company expects a total cash outflow of INR12b in FY26, funded from internal accruals
- Capacity expansions at various locations for the Plastic Piping business and Protective packaging products taken in hand are nearing completion and shall be available for FY27
- 2 Greenfield plants for Plastic piping in Bihar and Alampur will be operational by FY28, whose execution will commence in FY27. ~100kTPA capacity is targeted in these two plants.

Others

- SI has fully executed the LOI for the supply of 0.2m of 10 Kg. composite LPG cylinders to Bharat Petroleum Corporation (BPCL). The company has received further LOI for the supply of 0.2m of composite cylinders to BPCL, which shall be executed in 4QFY26.
- Three units acquired through Wavin are fully integrated and realigned and shall be available for their full potential from Feb'26 onwards; 180+ customers joined SI from Wavin in 3QFY26
- In 3QFY26, Revenue from value-added products stood at INR11.2b (vs. INR9.7b in 3QFY25 delivering ~16% growth YoY)

- Project execution at site for Profile window is nearing completion. Production trials have commenced. The Company expects to launch commercial production in the market from Feb'26. 250kPA windows production expected- Window business has revenue potential of INR3b+ at 100% utilization.
- Finance cost increased temporarily due to capex funding by short-term borrowings and stretched WC; going forward will be reduced (INR1.3b of short-term borrowings)
- SI planning debt-free by Mar'26
- Other income (liquid balances, investing income) is temporary; Normalized Other income from FY27 onwards.
- Supreme Petrochem's results were under expectations, resulting in lower income from associates.
- **INR1-1.2b Inventory loss suffered by SI in 9MFY26**
- Management claims the market share of SI has increased in piping
- In the Industrial products business, material handling and composite cylinders are showing moderate growth; component supply in the appliance sector is a challenge, while automobile component supply is doing well.
- Protective packaging demand is healthy; capacity expansion is planned in FY27.

Valuation and view

- Macro headwinds affecting the PVC industry are largely behind, evidenced by PVC prices increasing from CY26 onwards and demand recovery resulting in double-digit volume growth for SI over the last two quarters and strong 4Q guidance. Margins are expected to improve, led by the omission of inventory losses, stable to improving PVC price expectations, an improving mix of VAP, and higher growth in the high-margin CPVC segment.
- We expect SI to clock 12%/18%/18% CAGR in revenue/EBITDA/PAT over FY25-28. We value the stock at 34x FY28 EPS to arrive at a TP of INR4,200 (on par with its last 10-year average P/E valuation). **Reiterate BUY.**
- The one-year forward P/E valuations are at their 10-year historical average, and with an improving business performance and a healthy industry outlook over the next few quarters, we expect SI to provide a decent risk-reward.

Disclosures

The following Disclosures are being made in compliance with the SEBI Research Analyst Regulations 2014 (herein after referred to as the Regulations).

Motilal Oswal Financial Services Ltd. (MOFSL) is a SEBI Registered Research Analyst having registration no. INH000000412 and BSE enlistment no. 5028. MOFSL, the Research Entity (RE) as defined in the Regulations, is engaged in the business of providing Stock broking services, Depository participant services & distribution of various financial products. MOFSL is a listed public company, the details in respect of which are available on www.motilaloswal.com. MOFSL is registered with the Securities & Exchange Board of India (SEBI) and is a registered Trading Member with National Stock Exchange of India Ltd. (NSE) and Bombay Stock Exchange Limited (BSE), Multi Commodity Exchange of India Limited (MCX) and National Commodity & Derivatives Exchange Limited (NCDEX) for its stock broking activities & is Depository participant with Central Depository Services Limited (CDSL) National Securities Depository Limited (NSDL),NERL, COMRIS and CCRL and is member of Association of Mutual Funds of India (AMFI) for distribution of financial products and Insurance Regulatory & Development Authority of India (IRDA) as Corporate Agent for insurance products and is a member of Association of Portfolio Managers in India (APMI) for distribution of PMS products. Details of associate entities of Motilal Oswal Financial Services Ltd. are available on the website at <http://online-reports.motilaloswal.com/Dormant/documents/Associate%20Details.pdf>

MOFSL and its associate company(ies), their directors and Research Analyst and their relatives may; (a) from time to time, have a long or short position in, act as principal in, and buy or sell the securities or derivatives thereof of companies mentioned herein. (b) be engaged in any other transaction involving such securities and earn brokerage or other compensation or act as a market maker in the financial instruments of the company(ies) discussed herein or act as an advisor or lender/borrower to such company(ies) or may have any other potential conflict of interests with respect to any recommendation and other related information and opinions.; however the same shall have no bearing whatsoever on the specific recommendations made by the analyst(s), as the recommendations made by the analyst(s) are completely independent of the views of the associates of MOFSL even though there might exist an inherent conflict of interest in some of the stocks mentioned in the research report.

MOFSL and / or its affiliates do and seek to do business including investment banking with companies covered in its research reports. As a result, the recipients of this report should be aware that MOFSL may have a potential conflict of interest that may affect the objectivity of this report. Compensation of Research Analysts is not based on any specific merchant banking, investment banking or brokerage service transactions. Details of pending Enquiry Proceedings of Motilal Oswal Financial Services Limited are available on the website at <https://galaxy.motilaloswal.com/ResearchAnalyst/PublishViewLitigation.aspx>. As per Regulatory requirements, Research Audit Report is uploaded on www.motilaloswal.com > MOFSL-Important Links > MOFSL Research Analyst Compliance Audit Report.

A graph of daily closing prices of securities is available at www.nseindia.com, www.bseindia.com. Research Analyst views on Subject Company may vary based on Fundamental research and Technical Research. Proprietary trading desk of MOFSL or its associates maintains arm's length distance with Research Team as all the activities are segregated from MOFSL research activity and therefore it can have an independent view with regards to Subject Company for which Research Team have expressed their views.

Regional Disclosures (outside India)

This report is not directed or intended for distribution to or use by any person or entity resident in a state, country or any jurisdiction, where such distribution, publication, availability or use would be contrary to law, regulation or which would subject MOFSL & its group companies to registration or licensing requirements within such jurisdictions.

For Hong Kong:

This report is distributed in Hong Kong by Motilal Oswal capital Markets (Hong Kong) Private Limited, a licensed corporation (CE AYY-301) licensed and regulated by the Hong Kong Securities and Futures Commission (SFC) pursuant to the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong) "SFO". As per SEBI (Research Analyst Regulations) 2014 Motilal Oswal Securities (SEBI Reg. No. INH000000412) has an agreement with Motilal Oswal capital Markets (Hong Kong) Private Limited for distribution of research report in Hong Kong. This report is intended for distribution only to "Professional Investors" as defined in Part I of Schedule 1 to SFO. Any investment or investment activity to which this document relates is only available to professional investor and will be engaged only with professional investors." Nothing here is an offer or solicitation of these securities, products and services in any jurisdiction where their offer or sale is not qualified or exempt from registration. The Indian Analyst(s) who compile this report is/are not located in Hong Kong & are not conducting Research Analysis in Hong Kong.

For U.S.

Motilal Oswal Financial Services Limited (MOFSL) is not a registered broker - dealer under the U.S. Securities Exchange Act of 1934, as amended (the "1934 act") and under applicable state laws in the United States. In addition MOFSL is not a registered investment adviser under the U.S. Investment Advisers Act of 1940, as amended (the "Advisers Act" and together with the 1934 Act, the "Acts"), and under applicable state laws in the United States. Accordingly, in the absence of specific exemption under the Acts, any brokerage and investment services provided by MOFSL, including the products and services described herein are not available to or intended for U.S. persons. This report is intended for distribution only to "Major Institutional Investors" as defined by Rule 15a-6(b)(4) of the Exchange Act and interpretations thereof by SEC (henceforth referred to as "major institutional investors"). This document must not be acted on or relied on by persons who are not major institutional investors. Any investment or investment activity to which this document relates is only available to major institutional investors and will be engaged in only with major institutional investors. In reliance on the exemption from registration provided by Rule 15a-6 of the U.S. Securities Exchange Act of 1934, as amended (the "Exchange Act") and interpretations thereof by the U.S. Securities and Exchange Commission ("SEC") in order to conduct business with Institutional Investors based in the U.S., MOFSL has entered into a chaperoning agreement with a U.S. registered broker-dealer, Motilal Oswal Securities International Private Limited. ("MOSIPL"). Any business interaction pursuant to this report will have to be executed within the provisions of this chaperoning agreement.

The Research Analysts contributing to the report may not be registered /qualified as research analyst with FINRA. Such research analyst may not be associated persons of the U.S. registered broker-dealer, MOSIPL, and therefore, may not be subject to NASD rule 2711 and NYSE Rule 472 restrictions on communication with a subject company, public appearances and trading securities held by a research analyst account.

For Singapore

In Singapore, this report is being distributed by Motilal Oswal Capital Markets (Singapore) Pte. Ltd. ("MOCMSPL") (UEN 201129401Z), which is a holder of a capital markets services license and an exempt financial adviser in Singapore. This report is distributed solely to persons who (a) qualify as "institutional investors" as defined in section 4A(1)(c) of the Securities and Futures Act of Singapore ("SFA") or (b) are considered "accredited investors" as defined in section 2(1) of the Financial Advisers Regulations of Singapore read with section 4A(1)(a) of the SFA. Accordingly, if a recipient is neither an "institutional investor" nor an "accredited investor", they must immediately discontinue any use of this Report and inform MOCMSPL .

In respect of any matter arising from or in connection with the research you could contact the following representatives of MOCMSPL. In case of grievances for any of the services rendered by MOCMSPL write to grievances@motilaloswal.com.

Terms & Conditions:

This report has been prepared by MOFSL and is meant for sole use by the recipient and not for circulation. The report and information contained herein is strictly confidential and may not be altered in any way, transmitted to, copied or distributed, in part or in whole, to any other person or to the media or reproduced in any form, without prior written consent of MOFSL. The report is based on the facts, figures and information that are considered true, correct, reliable and accurate. The intent of this report is not recommendatory in nature. The information is obtained from publicly available media or other sources believed to be reliable. Such information has not been independently verified and no guaranty, representation of warranty, express or implied, is made as to its accuracy, completeness or correctness. All such information and opinions are subject to change without notice. The report is prepared solely for informational purpose and does not constitute an offer document or solicitation of offer to buy or sell or subscribe for securities or other financial instruments for the clients. Though disseminated to all the customers simultaneously, not all customers may receive this report at the same time. MOFSL will not treat recipients as customers by virtue of their receiving this report.

Disclaimer:

The report and information contained herein is strictly confidential and meant solely for the selected recipient and may not be altered in any way, transmitted to, copied or distributed, in part or in whole, to any other person or to the media or reproduced in any form, without prior written consent. This report and information herein is solely for informational purpose and may not be used or considered as an offer document or solicitation of offer to buy or sell or subscribe for securities or other financial instruments. Nothing in this report constitutes investment, legal, accounting and tax advice or a representation that any investment or strategy is suitable or appropriate to your specific circumstances. The securities discussed and opinions expressed in this report may not be suitable for all investors, who must make their own investment decisions, based on their own investment objectives, financial positions and needs of specific recipient. This may not be taken in substitution for the exercise of independent judgment by any recipient. Each recipient of this document should make such investigations as it deems necessary to arrive at an independent evaluation of an investment in the securities of companies referred to in this document (including the merits and risks involved), and should consult its own advisors to determine the merits and risks of such an investment. The investment discussed or views expressed may not be suitable for all investors. Certain transactions -including those involving futures, options, another derivative products as well as non-investment grade securities - involve substantial risk and are not suitable for all investors. No representation or warranty, express or implied, is made as to the accuracy, completeness or fairness of the information and opinions contained in this document. The Disclosures of Interest Statement incorporated in this document is provided solely to enhance the transparency and should not be treated as endorsement of the views expressed in the report. This information is subject to change without any prior notice. The Company reserves the right to make modifications and alternations to this statement as may be required from time to time without any prior approval. MOFSL, its associates, their directors and the employees may from time to time, effect or have effected an own account transaction in, or deal as principal or agent in or for the securities mentioned in this document. They may perform or seek to perform investment banking or other services for, or solicit investment banking or other business from, any company referred to in this report. Each of these entities functions as a separate, distinct and independent of each other. The recipient should take this into account before interpreting the document. This report has been prepared on the basis of information that is already available in publicly accessible media or developed through analysis of MOFSL. The views expressed are those of the analyst, and the Company may or may not subscribe to all the views expressed therein. This document is being supplied to you solely for your information and may not be reproduced, redistributed or passed on, directly or indirectly, to any other person or published, copied, in whole or in part, for any purpose. This report is not directed or intended for distribution to, or use by, any person or entity who is a citizen or resident of or located in any locality, state, country or other jurisdiction, where such distribution, publication, availability or use would be contrary to law, regulation or which would subject MOFSL to any registration or licensing requirement within such jurisdiction. The securities described herein may or may not be eligible for sale in all jurisdictions or to certain category of investors. Persons in whose possession this document may come are required to inform themselves of and to observe such restriction. Neither the Firm, nor its directors, employees, agents or representatives shall be liable for any damages whether direct or indirect, incidental, special or consequential including lost revenue or lost profits that may arise from or in connection with the use of the information. The person accessing this information specifically agrees to exempt MOFSL or any of its affiliates or employees from, any and all responsibility/liability arising from such misuse and agrees not to hold MOFSL or any of its affiliates or employees responsible for any such misuse and further agrees to hold MOFSL or any of its affiliates or employees free and harmless from all losses, costs, damages, expenses that may be suffered by the person accessing this information due to any errors and delays.
